

NEXUS-IDRiM

The Young Scientists Group

*“The second year’s results of
The Young Scientists Projects”*

Concluding Remarks

Our Next Step

(Short term; to next NEXUS-IDRiM 2007)

Complete the three-year project

Demonstrate the theory,
or test the hypothesis scientifically.

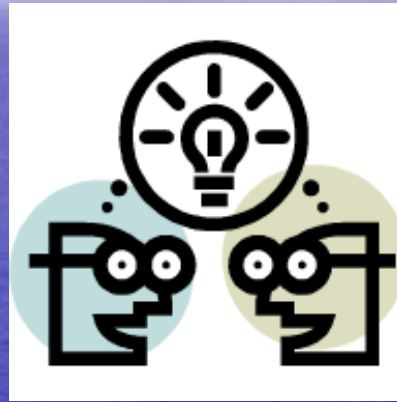

Report the results in the NEXUS-IDRiM 2007
as “Researches born and raised in the NEXUS-IDRiM”

Our Next Step

(From mid-term to long-term)

Find partner and realize collaboration

Write papers and submit them to scientific journals.

This result is
epoch-making...
