

IIASA Postdoctoral Program 2012 Application Form

Application Procedure

Applications are now being accepted for the 2012 program. The closing date is **February 29, 2012**.

1. **Form**

Please download and save the empty Adobe PDF application form on your computer from:

<http://www.iiasa.ac.at/pdocs/applic/application.pdf>

2. **Material**

Complete (and save) your copy of the PDF application form as well as prepare any accompanying material including copies of two most recent publications.

3. **Submission**

You may submit the completed application (and any additional material) via the upload web link:

<http://www.iiasa.ac.at/pdocs/applic/upload>

Two letters of reference should be provided before the application deadline on **February 29, 2012**. The applicants are responsible for asking the reference givers and to upload the letters in PDF format using the same upload link:

<http://www.iiasa.ac.at/pdocs/applic/upload>.

An essential part of the application form is the research plan outlining the intended work at IIASA and its relevance for IIASA's agenda. Please complete these sections to increase your chances of success.

It is highly recommend that applicants contact their potential scientific host(s) prior to submitting their application.

All information submitted will be held in strict confidence.

Should you have any queries please do not hesitate to contact the Postdoctoral Coordinator: Tanja.Huber@iiasa.ac.at

Contact Details

Last (family) name:
(Latin characters only)

First (given) name(s):

Date of birth:

(yyyy-mm-dd):

female male

Country of citizenship:

-- Select Country

Country of residence:

-- Select Country

Full Mailing Address:

E-mail:

Telephone No:

(including country and area code)

How did you learn about the IIASA
Postdoc Program?

Current Affiliation

2. Please list where you are currently employed and their mailing address.

2. Please list your academic education, degrees received, including granting institutions and dates, titles of master's and PhD theses, as well as names of your theses advisors.

3. Please provide a summary of your principal scientific accomplishments. Please insert (or alternatively upload) a complete list of publications. Provide links to 2 or 3 of your most significant publications, if available.

4. Please list honors, awards, and grants you have received.

5. Please list any relevant positions you have held (including dates).

6. Please list your research goals for the next 3-5 years.

7. Please list your long-term career objectives.

Research plan for your intended work at IIASA

a. Title of the Plan

b. Abstract

c. Research Question(s)

d. Methods/Approach

e. Data to be Used (if relevant)

f. Expected Results

g. Innovative Aspects

h. Risks for Success of the Research

i. Relevance to the IIASA Research Agenda

j. Time line for the Research

Program Selection at IIASA

Please select up to two IIASA programs of relevance from the list* below:

1 st Choice	2 nd Choice	List of Programs at IIASA (Click on the program name for additional Information)

		Advanced Systems Analysis
		Evolution And Ecology
		Energy
		Ecosystems Services And Management
		Exploratory And Special Projects
		Mitigation Of Air Pollution And Greenhouse Gases
		World Population
		Risk, Policy And Vulnerability
		Transitions To New Technologies
		Water

* Please note that according to IIASA's new strategic plan, some IIASA programs will be merged. We will inform selected participants of any changes.

References

Please supply the names of two (2) individuals who will provide a letter of reference. (Please include name, position, address, Email, and telephone).

Please note that candidates are responsible for contacting the reference persons and ensuring that the reference letters are sent to IIASA (in PDF format) before the deadline for submission of applications (February 29, 2012).

Name and contact details for reference person 1.
