

TRAVEL BY IIASA SCIENTISTS TO RUSSIA
2006-2014

YEAR	FIRST NAME	LAST NAME	PURPOSE OF THE VISIT	VISIT HOSTED BY	ADDRESS	CODE	CITY
2014	Anatoly	Shvidenko	(1) Discussion of future ways of development of NFI in Russia taken into account ESM findings; (2) Meeting with officials from the Russian Federal Forest Service; (3) Work on projects NEFCA and ZAPAS	Russian Federal Forest Service, Center of Productivity of Forest of the RAS	Pjatnitskaya str. 59/19	115184	Moscow
2014	Anatoly	Shvidenko	Participating in the Workshop		Grivtsova Pereulok, 10	190000	Saint Petersburg
2014	Dmitry	Shchepashchenko	Discuss project tasks and collect necessary information	Space Research Institute	Profsoyuznaya, 84/32	117997	Moscow
2013	Alexey	Davydov	Participating in conference on "Differential Equations. Function Spaces. Approximation Theory"	Novosibirsk State University			Novosibirsk
2013	Anatoly	Shvidenko	(1) Work with Russian partners and collection of information for ZAPAS Project); (2) Meeting with Deputy Chief of the RFFS Dr. Yu. Gagarin; (3) Participation in the Conference	Russian FFS, Institute of Space Research RAS, Roslesinforg, others	Pjatnitskaya str. 59/19	115184	Moscow
2013	Anatoly	Shvidenko	Participation in the 2nd PEEEX (Pan Eurasian Experiment) Workshop of itinerary	Institute of Geography RAS, Rosleinforg	Starometny 29	119017	Moscow
2013	Anatoly	Shvidenko	Participation in the Int. Conference "Aerospace methods and GIS technologies in forestry and forest management"; Participation in the All-Russia Conference "Current problems of forest inventory"; discussion on future collaboration with Aerocosmos	Institute of Space Research, RAS; Center for Ecology and Productivity of Forests, RAS	Profsojuznaja str. 84/32		Moscow
2013	Anatoly	Shvidenko	Participation in the Meeting of the Committee on Systems Analysis of Russian Academy of Sciences (Russian NMO) together with representatives of US NMO at IIASA	Russian Academy of Sciences; Russian Federal Forest Service	Starometny per., 29	119017	Moscow
2013	Arkady	Kryazhimskiy	Leading a session on Progress in On-going RAS Program on Socio-economic Development of Russia and Ukraine	Institute for Scientific Information in Social Sciences, Russian Academy of Sciences			Moscow
2013	Arkady	Kryazhimskiy	Participating in the Eurasian workshop. Continuing his work with the ASA Program				Moscow
2013	Donald	Saari	Prospects for Advanced Systems Analysis at IIASA Meeting	Russian Academy of Sciences (RAS), Steklov Mathematical Institute and Russian NMO			Moscow
2013	Donghyun	Kim	Attend 4th Fire Behavior and Fuels Conference in St. Petersburg, Russia from July 1 - 4, 2013	AZIMUT Hotel (Conference venue)	Lermontovskiy Prospekt 43/1	190103	St. Petersburg
2013	Elena	Rovenskaya	Participating in Partnership Conference "Geophysical observatories, multifunctional GIS and data mining"				Kaluga
2013	Elena	Rovenskaya	Participating in the Russian-American NMOs meeting and discussion sessions	Russian Academy of Sciences			Moscow
2013	Margaret	Goud Collins	Attend meetings of Russian NMO, and take part in meetings to explore opportunities for US and Russian NMO collaboration on advanced systems analysis with IIASA as central node	Russian Academy of Science, IIASA's Russian NMO			Moscow
2013	Nadejda	Komendantova-Amann	Presentation	RAS Earth science division, director, Geophysical center RAS, Russia			Kaluga
2013	Pavel	Kabat	Give a presentation at the International partnership conference "Geophysical observatories, multifunctional GIS and data mining" and meet with important officials at the Russian Academy of Sciences	Russian Academy of Sciences			Kaluga/Moscow
2013	Pavel	Kabat	Meet with Russian officials to discuss important scientific collaborations	Russian Academy of Sciences			Moscow

**TRAVEL BY IIASA SCIENTISTS TO RUSSIA
2006-2014**

2013	Pavel	Kabat	Participate in the III INTERNATIONAL ARCTIC FORUM: THE ARCTIC and meet with high-level Russian colleagues					Salekhard
2013	Peter	Havlik	Participating in Partnership Conference "Geophysical observatories, multifunctional GIS and data mining"					Kaluga
2013	Sanja	Drinkovic	Meeting the organizers of the Kaluga conference in Moscow, accompanying the Director/CEO and participating in the international partnership conference "Geophysical Observatories, Multifunctional GIS and Data Mining"	RAS and Hotel Kvan in Kaluga (conference venue)	Tramplinnaya str. dlb 1 B	248000		Kaluga
2013	Serguei	Scherbov	Collaboration with Moscow State University	Moscow State University	GSP-1, 1-46 Leninskiye Gory	119991		Moscow
2013	Serguei	Scherbov	Collaboration with Population Center and guest lecture on Population Projections	Moscow State University, Faculty of Economics	GSP-1, 1-46 Leninskiye Gory	119991		Moscow
2013	Serguei	Scherbov	Discussing collaboration with Maximova Tamara regarding SAGE data	National Research Institute of Public Health (FSBI, RAMS)				Moscow
2013	Serguei	Scherbov	Discussing joint research	Population Center, Higher School of Economics				Moscow
2013	Serguei	Scherbov	Lecture on population projections	National Research University Higher School of Economics	20 Myasnitskaya Ulitsa	101000		Moscow
2013	Serguei	Scherbov	Lecture on population projections	National Research University, Higher School of Economics	20 Myasnitskaya Ulitsa	101000		Moscow
2013	Serguei	Scherbov	Lecture on population projections	National Research University, Higher School of Economics	20 Myasnitskaya Ulitsa	101000		Moscow
2013	Serguei	Scherbov	Attend the IDEM conference and present a paper	National Research University, Higher School of Economics	20 Myasnitskaya Ulitsa	101000		Moscow
2013	Serguei	Scherbov	Attend the meeting and present a paper	National Research University, Higher School of Economics	20 Myasnitskaya Ulitsa	101000		Moscow
2013	Serguei	Scherbov	Attend the meeting and present a paper	National Research University, Higher School of Economics	20 Myasnitskaya Ulitsa	101000		Moscow
2013	Serguei	Scherbov	Discuss collaboration with S. Nikitina, Head of Population Division State Committee on Statistics of Russia	State Committee on Statistics of Russia	State Committee of Statistics, 39, Miasnitskaya St., bldg. 1	107450		Moscow
2013	Serguei	Scherbov	Discuss collaboration with Senior Demographer, Evgeny Andreev, at the New Economic School	New Economic School	Suite 1721, Nakhimovskii Prospekt 47	117418		Moscow
2013	Serguei	Scherbov	Discuss collaboration with V. Elizarov, Head of the Population Center, Moscow State University	Population Center, Moscow State University	MSU, Faculty of Economics, GSP-1, 1-46 Leninskiye Gory	119991		Moscow
2013	Serguei	Scherbov	Visiting State Committee of Statistics for collaborative work. Visiting Institute for Systems Analysis (ISA) of Russian Academy of Sciences and discussing collaborative work with the Director Prof. Yu. Popkov. Continuation of collaboration with Population Center of Moscow State University (Prof. V. Elizarov)	State Committee of Statistics Institute for Systems Analysis (ISA) of Russian Academy of Sciences Population Center of Moscow State University	39, Miasnitskaya St., bldg. 1, 107450, Moscow; ISA, pr. 60-letiya Oktyabrya, 9117312, Moscow; 119992 Leninskiye Gory, MGU, Moscow			Moscow
2013	Serguei	Scherbov	Give a course on Population, Human Capital and Policy	Lomonosov Moscow State University, Faculty of Economics, Center for Population Studies	GSP-1, 1-46 Leninskiye Gory	119991		Moscow
2013	Simon	Levin	Prospects for Advanced Systems Analysis at IIASA Meeting	Russian Academy of Sciences (RAS), Steklov Mathematical Institute and Russian NMO				Moscow

**TRAVEL BY IIASA SCIENTISTS TO RUSSIA
2006-2014**

2013	Steffen	Fritz	Speaker at the international partnership conference "Geophysical Observatories, Multifunctional GIS and Data Mining"	RAS and Hotel Kvan in Kaluga (conference venue)	Tramplinnaya str., db. 1 "B"	248000	Kaluga
2012	Anatoly	Shvidenko	(1) Meetings in Moscow - Institute of Space Investigation, RAS; Federal Forest Service (2) Work on ZAPAS Project in Krasnoyarsk; (3) Participation in France-Russia Int. Workshop on Adaptation and Mitigation (20-23 Sept); (4) Participation in Int. Workshop on System Approach to Forest Inventory and Management (25-26 Sept)	Federal Forest Service, Inst. of Space Investigation (Moscow), Institute of Forest, East Siberian Forest Inventory Enterprise, Siberian Federal University (Krasnoyarsk)	Krasnoyarsk, Academgorodok, Institute of Forest SD RAS	660036	Krasnoyarsk
2012	Anatoly	Shvidenko	(1) Participation at the Meeting on preparation of the Russian Forest Sector Outlook Study 2015-2030 initiated by the FAO UN (2) Discussions of the Research Plan and collection of materials for Project ZAPAS	Institute for Continues Eduction in Forestry, Federal Forest Service, Institute for Space Investigation	Pushkino		Pushkino
2012	Anatoly	Shvidenko	(1) Participation in Project ZAPAS Meeting (2) A number of different working meetings	Institute of Space Investigation of the Russian Academy of Sciences; Russian Federal Forest Service	Profsojuznaja str.		Moscow
2012	Anatoly	Shvidenko	Participation at the Council of the Government of the Russian Federation on State Support of Scientific Research as a Member of the Council (Governmental Decree of the RF dated 15 October 2012 No 1922-R)	Ministry of Education and Science of the Russian Federation	Tverskaja str. 11	125993	Moscow
2012	Andrey	Krasovskii	Participation in a conference on Differential Equations and Control Theory dedicated to the 90th Anniversary of Prof. Evgeny Mishchenko	Steklov Mathematical Institute			Moscow
2012	Arkady	Kryazhimskiy	30-31 Oct - Participating in the conference on Prospects of Socio-economic Development of Russia and Ukraine. Will act in the capacity of the leader of the RAS-supported research program on the above issue Prior to this (29 Oct) he will lead a section and attend two seminars. Also, on 29 October, Thursday 1 November, and Friday 2 November he will discuss various research issues with the program team and meet with his students at Moscow State University	Institute for Scientific Information in Social Sciences, Russian Academy of Sciences			Moscow
2012	Arkady	Kryazhimskiy	Accompanying Pavel on his trip to Moscow				Moscow
2012	Arkady	Kryazhimskiy	Giving a keynote speech at the conference "Stochastic Optimization and Optimal Stopping"	Steklov Mathematical Institute	8 Gubkina St.		Moscow
2012	Arkady	Kryazhimskiy	Launching workshop on the new RAS's program "View on socio-economic development of Russia and Ukraine". Arkady is the program coordinator	Russian Academy of Sciences			Moscow
2012	Arkady	Kryazhimskiy	Participating in the annual meeting at the Russian Academy of Sciences, Will also be with his student when she defends her thesis. Several informal meetings also planned with the management board about the program on social economic development of Russia and the Ukraine				Moscow
2012	Arkady	Kryazhimskiy	Participation in a conference on Differential Equations and Control Theory dedicated to the 90th Anniversary of Prof. Evgeny Mishchenko (16-17 April). In the conference he will lead the section on Applications of Control Theory and give a talk. Meetings in the Russian Academy, related to RAS's project on economic development of Russia and Ukraine (18 and 20 April) Meetings and a seminar at Moscow University (18 April)				Moscow
2012	Arkady	Kryazhimskiy	Participating in 2 planning meeting (devoted to RAS's Program on socio-economic development of Russia and Ukraine, led by Arkady) at Russian Academy of Sciences on 13-14 Dec.; Participating in the Annual Meeting of the Russian Academy of Sciences on 17 -19 Dec.	Russian Academy of Sciences			Moscow

**TRAVEL BY IIASA SCIENTISTS TO RUSSIA
2006-2014**

2012	Arkady	Kryazhimskiy	Will meet with his PhD student for update (Anastaiya Raygorodskaya) - 16 February and attend the planning meeting on IIASA's Dream Valley Project with the ASA group members who are at Moscow State University (Elena Rovenskaya, Nikita Strelkovskiy) – 16,17 February. Also attending planning meeting on ASA-EEP project on risk assessment with the ASA group who are at Moscow State University (Elena Rovenskaya, Alena Puchkova) – 16,17 February; Discussion of a research proposal for the Presidium of the Russian Academy – a project on coordinated socio-economic development of Russia and Ukraine (a meeting in the Russian Academy) – 20 February	Moscow State University				Moscow
2012	Chin-Min	Lee	Accompany Pavel to official, high-level ministerial meetings organized by the Russian NMO	Russian NMO				Moscow
2012	Dmitry	Shchepashchenko		Space Research Institute	84/32 Profsoyuznaya Str	117997		Moscow
2012	Elena	Rovenskaya	Meet with Alexey Gvishiani (who will attend SAC) to discuss collaboration					Moscow
2012	Nebojsa	Nakicenovic	Will give a keynote presentation and a presentation on the Global Energy Assessment at the Moscow International Forum for Innovative Development 'Open Innovations'	Moscow Expo Center Fairgrounds	14 Krasnopresnenskaya			Moscow
2012	Pavel	Kabat	Discussions on intensifying collaboration on research projects	President, Russian Academy of Sciences Council Member, Russian NMO				Moscow
2012	Serguei	Scherbov	Collaboration with Population Center and Training Course on Population Projections	Moscow State University, Faculty of Economics	GSP-1, 1-46 Leninskiye Gory	119991		Moscow
2012	Serguei	Scherbov	Keynote at the Population Conference at Moscow State University	Moscow State University	GSP-1, 1-46 Leninskiye Gory	119991		Moscow
2012	Volker	Krey	Will attend the Intergovernmental Panel on Climate Change Task Group on Data and Scenario Support for Impact and Climate Analysis (IPCC TGICA) meeting. TGICA oversees a Data Distribution Centre (DDC) which provides data sets and scenarios, contributes to building capacity in the use of data and scenarios for climate-related research in developing and transition-economy regions and countries, and convenes expert meetings on an as-needed basis and the DDC links to relevant data sets and information held outside the DDC. This meeting, TGICA-18, will be a third full meeting of the members	Voeikov Main Geophysical Observatory	Karbysheva st., 7	194021		St. Petersburg
2012	Wilfried	Winiwarter	To participate at the 7th meeting of the Task Force on Reactive Nitrogen					St. Petersburg
2011	Alexey	Davydov	Doing course of lectures called "Singularity Theory in Control and Optimization Problems" - a contribution to the scientific program of the "42-d Russian School Contemporary Problems of Mathematics"	Institute of Mathematics and Mechanics - Russian Academy of Sciences				Ekaterinburg
2011	Anatoly	Shvidenko	(1) Participation and key-note presentation at the International Conference "Carbon pools and fluxes in boreal forest and peatland ecosystems"; (2) Discussions on collaborative research on global biomass modelling (in Syktyvkar during the Conference and 0.5 day in Moscow)	Institute of Biology, Komi Scientific Centre RAS				
2011	Anatoly	Shvidenko	(1) Participation at a meeting of the Russian NMO (the Russian Committee of Systems Analysis); (2) A working meeting on FAO Russian forests outlook study	Geophysical Center of the Russian Academy of Sciences; Institute of Postgraduate Training; Russian Federal Forest Service	Molodezhnaja str. 3			Moscow
2011	Anatoly	Shvidenko	(1) Participation in global biomass mapping expert group discussion, (2) discussion on future collaboration with the Federal Forest Service on the topic	Dokuchaev Soil Institute, Center on Ecology and Productivity of Forests RAS, Federal Forest Service of Russia	Sadovnicheskaja 56/49	115035		Moscow

**TRAVEL BY IIASA SCIENTISTS TO RUSSIA
2006-2014**

2011	Anatoly	Shvidenko	(1) Participation in the International Conference on Innovations in Forestry and Forest Management in Russia organized by the Federal Forest Service; (2) Discussions with potential partners of proposals under development	St. Petersburg Forestry Research Institute, St. Petersburg Forest Technical Academy	Institutsky Prospect, 82		
2011	Anatoly	Shvidenko	(1) Participation in the meeting on Russian Forest Sector Outlook Study organized by FAO on September 12, 2011 (2) Participation in the meeting of WWF Russia on September 13, 2011	Federal Forest Service of Russia, WWF Russia			Moscow
2011	Anatoly	Shvidenko	Discuss C-emissions balance of Eurasia	Federal Forest Service, All-Russia Research Institute of Forestry (Pushkino), Dokuchaev Soil Institute, Roslesinforg, WWF Russia	Pjatnitskaya 56, Federal Forest Service of the RF		Moscow
2011	Anatoly	Shvidenko	Participating in expert discussions on forest economics and policy in the boreal zone in Irkutsk; Participating in the 15th International Boreal Forest Research Association -Conference (IBFRA) in order to give a key note and disseminate relevant CC-TAME results on forests; Participating in boreal forest field work for various remote sensing applications	Institute of Forest, Siberian Branch RAS (Krasnoyarsk, Russia), Siberian Federal University	79 Svobodny Prospect	660041	Krasnoyarsk
2011	Arkady	Kryazhimskiy	1. Attending a meeting on the 13th - details still to be fixed. 2. From 16-18, he will attend meetings at the Russian Academy of Sciences (RAS) which will include the RAS Annual Meeting and also a meeting at RAS's dept. of mathematics. 3. On 19 May Arkady will attend a session with expert council members on 'modeling and coevolution in the multi-polar world' Organized by the Analytic Center of the Russian Government 4. On 26-27 May he will take part in a roundtable discussion at RAS. Title of meeting is 'Regions of Russia: mechanisms and Strategies for Modernisation'. He will be in the session on 'The Role of Science in the Modernisation of Russia'	1. Presidium of the Academy of Sciences 2. Russian Academy of Sciences - Dept. of Mathematics at RAS 3. Analytic Center in Moscow 4. Institute for Scientific Information on Social Sciences			Moscow
2011	Arkady	Kryazhimskiy	A research proposal for the Presidium of the Russian Academy; A research proposal for the Russian Foundation for Basic Research; Capacity building with Moscow State University; A research proposal for the Russian Fund for Development of the Center for Elaboration and Commercialization of New Technologies	Presidium of the Russian Academy; Moscow State University; Institute for Scientific Information in Social Sciences, RAS; Steklov Mathematical Institute, RAS;	Leninskiy Prospect, 14, Moscow; Leneinskie Gory, Moscow; Nakhimovskiy Prospect, 51/21, Moscow; Gubkina, 8, Moscow	117997	Moscow
2011	Arkady	Kryazhimskiy	Meeting with Moscow Government on possible collaboration; Meeting with the Organizing Committee of the International Schools for Young Scientists in Russia				Moscow
2011	Arkady	Kryazhimskiy	Meetings to discuss capacity building	1. Presidium of the Russian Academy of Sciences 2. Moscow State University			Moscow
2011	Arkady	Kryazhimskiy	Work on a research proposal for the Russian Fund for Development of the Center for Elaboration and Commercialization of New Technologies, jointly with Norilsk Nickel International and Moscow State University, 12-15 December; Participation in a meeting of the Russian NMO on 16 December; Participation in the Annual Meeting of the Russian Academy of Sciences, on 21-22 December				Moscow
2011	Arnulf	Grübler	Give a presentation at a conference entitled 'Research and governance challenges in the development of the national innovation system in Russia'	Ministry of Economic Development of the Russian Federation	1,3 1-ya Tverskaya-Yamskaya	107996	Moscow
2011	Christoph	Schneider	Meeting to discuss planning a workshop on Economies in Transition - 20 Years After to be held at IIASA at the end of 2011	Alpha Bank			Moscow
2011	Detlof	von Winterfeldt	Meeting to discuss planning a workshop on Economies in Transition - 20 Years After to be held at IIASA at the end of 2011	Alpha Bank			Moscow

**TRAVEL BY IIASA SCIENTISTS TO RUSSIA
2006-2014**

2011	Dmitry	Shchepashchenko	1) Meeting on C-Budgeting 2) Information collection for the project	Moscow State Forest University, Dokuchaev Soil Science Institute, RosLesInfOrg, Russian State Library	MGUL, Institutskaya, Mytishi, Moscow region	141005	Moscow
2011	Dmitry	Shchepashchenko	participation in the international conference for 165 anniversary of V.V. Dokuchaev RESOURCE POTENTIAL OF SOILS - BASIS OF FOOD AND ECOLOGICAL SAFETY OF RUSSIA	Saint-Petersburg State University	16th Line, 29	199178	Saint-Petersburg
2011	Elena	Rovenskaya	Participating in the "All-Russian Young People's Forum Seliger-2011" - in the Innovations and Technologies section Invited as an expert in Investments, Analysis of Financial Effectiveness, Risk Assessment				Lake Seliger
2011	Elena	Rovenskaya	Participating in the XVI conference on Dynamics, Economic Growth, and International Trade (DEGIT-XVI)	Saint-Petersburg University, Faculty of Applied Mathematics and Control Processes	Universitetskii prospect 35, Petergof	198504	Saint Petersburg
2011	Florian	Kraxner	Participating in expert discussions on forest economics and policy in the boreal zone in Irkutsk; Participating in the 15th International Boreal Forest Research Association -Conference (IBFRA) in order to present a paper and disseminate further relevant CC-TAME results on forests; Participating in boreal forest field work for various remote sensing applications	Institute of Forest, Siberian Branch RAS (Krasnoyarsk, Russia), Siberian Federal University	79 Svobodny Prospect	660041	Krasnoyarsk
2011	Kaarle	Kupiainen	To participate in the AMAP 25th working group meeting.	ROS-Hydro MET			Moscow
2011	Nikita	Strelkovskiy	Participating in IMMOD-2011 conference from 19 to 21 October 2011 then afterwards will participate in AnyLogic training from 24 to 26 October 2011				St. Petersburg
2011	Sabine	Fuß	Participating in expert discussions on forest economics and policy in the boreal zone in Irkutsk; Participating in the 15th International Boreal Forest Research Association -Conference (IBFRA) in order to give an invited paper presentation and disseminate further relevant CC-TAME results on forests economics	Institute of Forest, Siberian Branch RAS (Krasnoyarsk, Russia), Siberian Federal University	79 Svobodny Prospect	660041	Krasnoyarsk
2011	Serguei	Scherbov	Collaborative work with ROSSTAT and requesting data for 2012 Demographic datasheet	ROSSTAT (Information Center - Statistics of Russia)	Myasnitskaya st., 39	107450	Moscow
2011	Serguei	Scherbov	Attend CIS Inter-parliamentary Assembly to assist with the preparation of the RH law model				St. Petersburg
2011	Shari	Jandl	Meeting to discuss planning a workshop on Economies in Transition - 20 Years After to be held at IIASA at the end of 2011	Alpha Bank			Moscow
2011	Wolfgang	Lutz	Attend CIS Inter-parliamentary Assembly to assist with the preparation of the RH law model				St. Petersburg
2010	Anatoly	Shvidenko	(1) Key-note at the Int. Conference ENVIROMIS-2010, (2) Discussion with representatives of GEF/NIES (Japan) on results of the project Carbon Fluxes (OSR 10-109)	Scientific Center for Training and Education SB RAS, Institute of Atmospheric Physics RAS	Academicheskii Prospect, 1		Tomsk
2010	Anatoly	Shvidenko	(1) To work on the new FOR project "GEF-2" in Moscow and Krasnoyarsk; (2) To collect material for climate change analysis for Finland - at the request of IIASA's Director (in Moscow)	Institute of Forest Management and Mechanization (Pushkino); Institute of Global Climate (Moscow); WWF Russia (Moscow); Institute of Forest SD RAS (Krasnoyarsk); East Siberian Forest Inventory Enterprise (Krasnoyarsk)	Academgorodok	660036	Krasnoyarsk
2010	Anatoly	Shvidenko	Collaboration with partners of FOR projects; discussion of future proposals; meetings with officials of the Russian Federal Forest Service	Russian Federal Forest Service, Institute of Space Research, RAS, Institute of Soil Science RAAS	Pjatnitskaja str., 59/19	113184	Moscow

**TRAVEL BY IIASA SCIENTISTS TO RUSSIA
2006-2014**

2010	Anatoly	Shvidenko	Collaboration with partners of the project; collection of additional information; preparation to IIASA side event at the XXIII IUFRO World Congress	Institute of Forest SB RAS, East Siberian FI Enterprise, Siberian Federal University	Academgorodok	660036	Khabarovsk
2010	Anatoly	Shvidenko	Key-note presentation and participation in International Conference "Forest Fire: Management and International Cooperation for Preventing Forest Fires in APEC Region"	Far Eastern Forestry Research Institute, Far Eastern Forest Inventory Enterprise	Volochaevskaya Str. 72, DalNIILKh	680007	Khabarovsk
2010	Anatoly	Shvidenko	Participation in the Vth International Forum "Forest and Man", Moscow 27-30 September 2010	Association "Rosleiforg", Russian Federal Forest Service	Sadovnicheskaya 56/49 b.1	115035	Moscow
2010	Arkady	Kryazhimskiy	Annual meeting of the Russian Academy of Sciences (13-15 Dec); Giving a plenary talk and chairing a session at the conference "Modernization of Russia: key problems and solutions" (Moscow, 16-17 Dec)				Moscow
2010	Arkady	Kryazhimskiy	Participating in conference on Game Theory and Management	Graduate School of Management, St. Petersburg State University	Volkhovskiy per., 3		St. Petersburg
2010	Arkady	Kryazhimskiy	Participating in the seminar "Economic Growth: Models and Forecasting" Participating in the meeting of the Executive Board of the Russian NMO	Moscow State University Russian Academy of Sciences			Moscow
2010	Arkady	Kryazhimskiy	Participation in the program of the visit of the IIASA Director to Moscow, organized by the Russian NMO. Meetings with DYN network groups in the Russian Academy of Sciences and at Moscow State University	Russian Academy of Sciences	Leninskiy Prospect, 14	119991	Moscow
2010	Detlof	von Winterfeldt	Meet various officials to discuss IIASA research and topics of mutual interest	Geophysical Center/Institute of Geography, Russian Academy of Sciences (NMO)	Molodezhnaya St. 3 / 29, Staromonetny per	119296 / 10901	Moscow
2010	Diana	Urge-Vorsatz	Participating in the 8th JRC workshop on Energy Efficiency in Buildings	Hosted and organized by European Commission, Joint Research Centre	Kadashevskaya nab., 14/1	119017	Moscow
2010	Dmitry	Shchepashchenko	Collaboration with project partners	V.N. Sukachev Institute of Forest	Akademgorodok, 50, str.28	660036	Krasnoyarsk
2010	Dmitry	Shchepashchenko	Collection of information for the project	Moscow State Forest University, Russian State Library	1st Institutskaya street, 1	141005	Mytishchi, Moscow reg.
2010	Dmitry	Shchepashchenko	Conference participation: Environmental Observations, Modeling and Information Systems ENVIROMIS-2010, 5-11 July 2010, Tomsk, Russia	Siberian center for Environmental Research and Training	Akademicheskii ave., 10/3	634055	Tomsk
2010	Janusz	Cofala	To participate in the Conference on application of GAINS in the Russian Federation	Swedish Environment Institute (IVL)			Moscow
2010	Serguei	Scherbov	To explore data available for disability projections and discuss the follow up of EU project on household projections.	State Committee on Statistics, Population Division	39, Miasnitskaya St.	107450	Moscow
2010	Serguei	Scherbov	Discuss further collaboration and submission of a joint proposal to FWF	Institute of System Studies of the Russian Academy of Sciences			Moscow
2010	Serguei	Scherbov	Discuss joint work with ROSSTAT and acquire data for the datasheet	ROSSTAT			Moscow
2009	Anatoly	Shvidenko	(1) Participation at the Meeting on dissemination of results of the International Project IRIS - Irkutsk Regional Information System (finished at end of 2008) in Irkutsk; (2) preparation of bilateral Austrian-Russian project "Verified Terrestrial Biota Full Greenhouse Gas Account: A comparative study for Austria and Russia" in Krasnoyarsk	Irkutsk Science Center of RAS, Irkutsk Regional Forest Service, Institute of Forest, SD RAS, Krasnoyarsk, East Siberian Forest Inventory Enterprise, Krasnoyarsk	Irkutsk, Akademgorodok; Krasnoyarsk, Akademgorodok		Irkutsk & Krasnoyarsk

**TRAVEL BY IIASA SCIENTISTS TO RUSSIA
2006-2014**

2009	Anatoly	Shvidenko	(1) Participation in Int. Conference on Forest Inventory and Planning in Moscow (2) Collaborative work on preparation of Proposal of a bilateral Austrian-Russia Project	Federal Forest Service; Center for Ecology and Productivity of Forest, RAS; All-Russia Center for Forest Inventory	Pjatnizkaja str. 59/19	113184	Moscow
2009	Anatoly	Shvidenko	(1) Preparation of ESA-Russia Project on Forest Monitoring (Moscow, Krasnoyarsk and Irkutsk); (2) Work on FOR-GEF Project; (3) Conf. "Ecological and Geographical Aspects of Forest Forming Process"	Institute of Space Research, Federal Forest Service (Moscow), Institute of Forest, East Siberia Forest Inventory Enterprise, SFU (Krasnoyarsk), Pribaikal Forest Inventory Enterprise (Irkutsk)			
2009	Anatoly	Shvidenko	(1) Work on the Project "Full GHG Account for Northern Eurasia"; (2) Preparation of the bilateral Austrian-Russian Proposal; (3) Collaborative work with the Geophysical Center of the Russian Academy of Sciences; (4) Participation at the International Conference on Climate Change and Use of Natural Resources (Krasnoyarsk)	Geophysical Center (Moscow); Federal Forest Service (Moscow); Siberian Federal University (Krasnoyarsk); V.N. Sukachev Institute of Forest (Krasnoyarsk); East-Siberian Forest Inventory Enterprise (Krasnoyarsk)			Moscow, Krasnoyarsk
2009	Arkady	Kryazhimskiy	Meeting with government officials in Moscow to discuss negotiation on transport project				Moscow
2009	Arkady	Kryazhimskiy	Participating in the Annual Meeting of the Russian Academy of Sciences. He will also be taking some annual leave (submitted to MIS)	Russian Academy of Sciences			Moscow
2009	Arkady	Kryazhimskiy	Participating in the International Conference "Actual Problems of Stability and Control Theory" (APSCT'2009)	Institute of Mathematics and Mechanics of the Ural Branch of the Russian Academy of Sciences - Ural State University			Ekaterinburg
2009	Arkady	Kryazhimskiy	Taking some days annual leave. Participating in Annual Meeting of the Russian Academy of Sciences 26-29 May. Participating in the Electronic Geophysical Year Conference in Pereslavl-Zalessky being organized by A. Gvishisni from 3-5 June.				Pereslavl-Zalessky
2009	Dmitry	Shchepashchenko	Information collection for the project	Moscow State Forest University, Dokuchaev Soil Science Institute, Russian State Library	MGUL, Institutskaya, Mytishi, Moscow region	141005	Moscow
2009	Janusz	Cofala	To participate in the Congress on atmospheric air protection 'Atmosphere 2009' and the meeting of the UNECE Task Force on Hemispheric Transport of Pollution	Federal State Unitary Enterprise Scientific Research Institute of Atmospheric Air Protection			St. Petersburg
2009	Markus	Amann	To participate in the Congress on atmospheric air protection 'Atmosphere 2009' and the Meeting of the UNECE Task Force on Hemispheric Transport of Pollution	Federal State Unitary Enterprise Scientific Research Institute of Atmospheric Air Protection			St. Petersburg
2009	Robert	Ayres	Attend International Conference on "Resource Economics, Environmental Economics and Climate Change"	Siberian Federal University	Krasnoyarsk, Russia		Krasnoyarsk
2009	Sergey	Aseev	Participating in the Scientific Meeting of the Branch of Mathematics of the Russian Academy of Sciences which will take place on December 14. Will also participate in the Annual Meeting of the Russian Academy of Sciences on December 15-16.	Russian Academy of Sciences			Moscow
2009	Zbigniew	Klimont	To participate in the Expert Group Meeting and 14th Senior Officials Meeting of NEASPEC	UN Economic & Social Commission for Asia and the Pacific and Russian Ministry of Natural Resources and Ecology			Moscow

**TRAVEL BY IIASA SCIENTISTS TO RUSSIA
2006-2014**

2008	Alexey	Davydov	Attending international conference on Differential Equations and Topology which is dedicated to the memory of Lev Semenovich Pontryagin	Moscow State University	Leninskie Gory	119992	Moscow
2008	Anatoly	Shvidenko	(1) Collaborative work on the bilateral Austrian-Russian project; (2) participation in the final meeting on the project; (3) participation in the Conference ENVIROMIS-2008	Institute of Forest, Institute of Climate and Environment Siberian Branch RAS	Akademgorodok	680036	Krasnoyarsk
2008	Anatoly	Shvidenko	Participation in IPCC event in Moscow	Institute of Global Climate and Ecology, Roshydromet	Glebovskaja str. 20B	107258	Moscow
2008	Anatoly	Shvidenko	Participation in a Meeting & Training Workshop with users of the Project's products at Irkutsk Regional Forest Inventory Enterprise. The event is provided together with the Coordinator of the Project and partners from Jena University (Germany)	Irkutsk Forest Management Agency, Irkutsk Science Center of Siberian Branch, RAS; Federal Forest Service - Moscow	Gorky Str., 31	660047	Irkutsk
2008	Anatoly	Shvidenko	To participate in two meetings: (1) Science Conference "Forest and climate", 4-7 October, organized by the Russian Federal Forest Service, the World Bank, and UN FAO, and (2) Meeting of International Expert Consulting Group on development of the National Forest Inventory in Russia, 8 October (organized by FFS and the World Bank)				St. Petersburg
2008	Arkady	Kryazhimskiy	22 May - 25 May - Meetings of the Organizing Committee of the International Moscow School on Economic Growth which will be held next year in July. 26 May - 2 June - Attending the annual meeting of the Russian Academy of Sciences	Russian Academy of Sciences			Moscow
2008	Arkady	Kryazhimskiy	Participating in the international conference 'Differential Equations and Topology' which is dedicated to the memory of Lev Semenovich Pontryagin. Also meeting with EU Committee - Scientific Division - related to FP7. They will be visiting the Russian Academy of Sciences at this time	Moscow State University	Leniinskie Gory	119992	Moscow
2008	Dmitry	Shchepashchenko	Data collection for carbon and nitrogen account for Russia	Moscow State Forest University, Dokuchaev Soil Science Institute	MGUL, Institutskaya, Mytischki, Moscow region	141005	Moscow
2008	Rebecca	Whitlock	Develop collaborations, acquire/discuss data necessary for the project on fisheries-induced evolution in Caspian sturgeons	Russian Academy of Sciences			Astrakhan
2008	Rebecca	Whitlock	Parameterise models of fisheries-induced evolution in sturgeon stocks and write a manuscript	Southern Scientific Centre of the Russian Academy of Sciences			Astrakhan
2008	Serguei	Scherbov	Discuss possible collaboration	Institute for Systems Analysis			Moscow
2008	Serguei	Scherbov	Give a presentation at the meeting on Globalization and Economy				Moscow
2008	Serguei	Scherbov	Give presentations to various groups at the Center	University of Economics, Center for Demography			Moscow
2008	Serguei	Scherbov	Collaborative work at two different institutes	Institute for Systems Analysis (ISS) and State Committee on Statistics (SCS)			Moscow
2007	Alexey	Davydov	As one of the conference organizers, he is attending a conference called "Analysis and Singularities"	Steklov Mathematical Institute	Gubkina 8	119991	Moscow
2007	Alexey	Davydov	Participating in conference on Mathematical Control Theory and Mechanics	OJSC "TOURCENTER"	Korovniki str., 45	601293	Vladimir reg.,
2007	Anatoly	Shvidenko	Collection of information for IRIS Project	Russian Federal Forest Service, Association "Roslesinforg", Dokuchaev Soil Institute, All-Russia Research Forestry Institute			Moscow

2007	Anatoly	Shvidenko	Give Keynote presentation at Int. Conf CITES-2007 (23 July); working meeting of ENVIRO-RISK Project (24-25 July); Work on Bilateral Austrian-Russian project in Krasnoyarsk (26-28 July); Work for the IARIS Project in Irkutsk (30 July-1 Aug); Meetings in Federal Forest Service, RAS, collecting data in Moscow (2-4 Aug)				Tomsk, Krasnoyarsk, Irkutsk, Moscow
2007	Anatoly	Shvidenko	May 20 - Work with Prof. Shepaschenko on new papers; May 21 - meeting with the publishers; meetings with Drs. M. Girjaev, N. Kashpor, A. Pisarenko and V. Kresnov (Federal Service of Forest Management of the Russian Federation); May 22 - meeting with Prof. E.Lupjan, Dr. S. Bartalev, Institute of Space Investigation, RAS - collaborative issues, discussion on possible future common projects; meeting with Prof. V. Rozhkov (Dokuchaev Soil Institute); May 23 - meeting with Acad. A. Isaev, Prof. V. Sukhikh and Prof. G. Korovin, Center for Productivity of Forests, RAS; Travel from Moscow to Saint Petersburg; May 24-May 26 - IRIS Project meeting in Saint Petersburg at the NIERSC				Moscow/St. Petersburg
2007	Anatoly	Shvidenko	Sunday, April 15 meetings with Prof. D. Schepaschenko (work on a paper for Global Change Biology) and Prof. V. Rozhkov (discussion of some materials for Forest CD) Monday, April 16- Tuesday April 17 Checking a signal-copy of the book "Models and tables of growth and productivity of forests of major forest forming species of Northern Eurasia" which is prepared for publication by the Russian Federal Forest Service Tuesday, April 16 - meeting with Dr. L. Vaschuk, Dr. L. Permitina, Dr. N. Ivanova and (possibly) other members of IRIS team - discussion on the Working Plan of activities on IRIS in 2007 Wednesday 18 April - Thursday April 19 - participation at the Int. Conference "Remote Sensing Methods and GIS Technologies in Forestry and Forest Management". A plenary presentation "Methodological backgrounds of development of a system of national forest inventory in Russia". Friday, 20 April - Meeting of Groups of Expert of the Russian Federal Forest Service on development of a system of national inventory in Russia. Meeting with Dr. M. Girjaev, Deputy Head of the RFFS Saturday, April 21st - working discussions with members of the International Group of Forest Inventory Experts initiated by the World Bank and meetings with officials from the Federal Forest Service (Dr. N. Kashpor, Dr. V. Kresnov)				Moscow
2007	Arkady	Kryazhimskiy	1) Meetings with the Russian Partners of DYN's new proposal for FP7 (the special program "Capacities"): the Russian Academy of Sciences, Moscow State University, and the Russian Foundation for Basic Research 2) Representing the DYN Program at the Technology Meeting organized by the Moscow Office of the BHPB company	Moscow State University	Leninskii Ave. 14	119991	Moscow
2007	Arkady	Kryazhimskiy	Attending the annual meeting of the Russian Academy of Sciences		Leninskii Ave. 14	119991	Moscow
2007	Arkady	Kryazhimskiy	Event is the 'Presentation of the IIASA Dynamic Systems Program'	Faculty of Computational Mathematics and Cybernetics Moscow State University	Uchebniy Korpus 2, Leninskiye Gory	119899	Moscow
2007	Elena	Rovenskaya	Event is the 'Presentation of the IIASA Dynamic Systems Program'	Faculty of Computational Mathematics and Cybernetics Moscow State University	Uchebniy Korpus 2, Leninskiye Gory	119899	Moscow
2007	Leen	Hordijk	Meetings with high level officials including Academician Y. Osipov, President, Russian Academy of Sciences (arranged by NMO Council member, A. Maltsev)				Moscow

2007	Serguei	Scherbov	Attend a working meeting within the framework of the EU TACIS project "System of current estimation, analysis and forecasting of number and structure of households in the periods between census"				Moscow
2007	Serguei	Scherbov	Make a presentation at the final TACIS (EU-funded project) meeting and attend as part of the Austrian delegation				Moscow
2007	Serguei	Scherbov	Make a presentation at the international conference on Family Policy, organized by the Higher School of Economics				Moscow
2007	Serguei	Scherbov	Present paper at the European Congress on Gerontology	European Congress on Gerontology			St. Petersburg
2007	Serguei	Scherbov	Continue collaborative work with Prof. Victor Golubkov	Institute of Systems Studies			Moscow
2007	Sten	Nilsson	Participate in MegaFlorestais meeting				St. Petersburg
2007	Yaroslav	Minullin	Work with V. Likhachev (ERI RAS) on the Proposal for the Energy Infrastructures and Markets project. Work with I. Matrosov (MSU) on GASCOM model development (China case study). Discussion of possible collaboration with the Institute for Energy and Finance	Energy Research Institute (RAS) Moscow State university Institute for Energy and Finance			Moscow
2006	Anatoly	Shvidenko	December 3: Meet A. Pisarenko to discuss the current situation in forest sector (the New Forest Code was recently approved). December 4: Meetings with Dr. M. Girjaev (Deputy Head of the Federal Forest Service) and Dr. N. Kashpor (Head of Forest Inventory Department) December 3 + 4: Work with Dr. R. Shipov (Advisor to the Federal Forest Service)	Russian Federal Forest Service			Moscow
2006	Arkady	Kryazhimskiy	Has been invited to a Russian NMO meeting	Russian Academy of Sciences	Leninski prospect 14	119991	Moscow
2006	Serguei	Scherbov	Attend International Seminar on Low Fertility and Policy Options in the Russian Federation: Can we Influence Fertility?	UNFPA			Moscow
2006	Serguei	Scherbov	Attend a working meeting within the framework of the EU TACIS project "System of current estimation, analysis and forecasting of number and structure of households in the periods between censuses"				Moscow
