

YEAR	LAST NAME	FIRST NAME	PURPOSE	VISIT HOSTED BY	CONTACT PERSON	CITY
2014	Fath	Brian	To meet with WP4 team (COMPLEX) and discussion about incorporation of ecological aspects into their (conceptual) models. Will also give a seminar at Stockholm Resilience Center and explore possibility for H2020 project on resilience	Department of Energy and Technology, Swedish University of Agricultural Sciences	Prof. Hans Liljenström	Uppsala
2014	Forsell	Nicklas	To discuss about our contribution to the project and how scenarios should be constructed	Swedish University of Agricultural Sciences	Annika Nordin	Uppsala
2014	Forsell	Nicklas	To present and discuss the scenarios that are being created and constructed for the project	Sveaskog	Annika Nordin	Stockholm
2014	Franklin	Oskar	Project meeting with participants and stakeholders	Department of Mathematics and Statistics, Umeå University	Åke Brännström	Umeå
2014	Jewell	Jessica	Will give a seminar on 'Energy politics: Shaping and being shaped by energy systems. Does energy politics shape energy systems or does it simply reflect and follow power, interests and inertia embedded in energy resources and infrastructure?' and discuss potential collaboration within the area of energy security and nuclear energy	Physical Resource Theory Group, Department of Energy and Environment, Chalmers University of Technology	Fredrik Hedenus	Gothenburg
2014	Kindermann	Georg	To discuss about our contribution to the project and how scenarios should be constructed	Swedish University of Agricultural Sciences	Anders Lundström	Umeå
2014	Kraxner	Florian	To participate in and present at the Kick-Off/Steering Board meeting of FF2	Swedish University of Agricultural Sciences	Annika Nordin	Uppsala
2014	Leclere	David		University of Gothenburg, School of Business	Organised by TSE (FR), Hosted at University of Gothenburg	Goteborg
2014	Leduc	Sylvain	Presentation of the results on the hydro power development in the Alps within the Recharge.green project			Älvsjö
2014	Leduc	Sylvain	Presenting the ESM models with emphasize on the BeWhere model			Stockholm

2014	Nakicenovic	Nebojsa	<p>Will meet with the new members of the Swedish IIASA committee and give an overview on IIASA and Research</p> <p>The Swedish IIASA committee works to encourage links and improve the integration of research activities at IIASA with those of Swedish universities, institutes and government agencies, as well as to strengthen systems analysis research in Sweden. The committee is comprised of members from Swedish universities, government agencies and private companies</p>	The Swedish Research Council Formas	<p>Members of the Swedish IIASA Committee: Ingrid Petersson, Chair of the Committee and Director General of The Swedish Research Council for Environment Agricultural Sciences and Spatial Planning (FORMAS)</p> <p>Love Ekenberg, Stockholm University (SU) and the Royal Institute of Technology (KTH); Jakob Granit, Stockholm Environment Institute; Klaus Hammes, Swedish Energy Agency; Hörður Haraldsson, Swedish Environmental Protection Agency; Jan Lagerström, Swedish Forest Industries Federation; Annika Nordin, Swedish University of Agricultural Sciences (SLU); Björn Stigson, Stigson & Partners; Sandro Caruso, The Swedish Research Council for Environment Agricultural Sciences and Spatial Planning (FORMAS)</p>	Stockholm
2014	Salk	Carl	Collaboration with colleagues			Alnarp
2014	Salk	Carl	Discuss potential collaborations on INTEGRAL and other projects			Alnarp
2014	Wiberg	David	Discussion and arrangements with the SPC	SIWI	Mr. Adrian Puigarnau	Stockholm
2014	Wiberg	David	Panelist, Coordinator			Stockholm
2013	Amann	Markus	To participate in the Saltsjöbaden V, International science-policy workshop. The workshop will in particular consider air pollution issues in relation to international conventions and other initiatives such as the European Thematic Strategy on Air Pollution (TSAP), the Climate and Clean Air Coalition (CCAC) and the Stockholm Convention, the Minamata Convention on Mercury and the Arctic Council	Swedish Environmental Protection Agency and IVL Swedish Environmental Research Institute, the Convention on Long-range Transboundary Air Pollution (CLRTAP), the European Commission and the Global Atmospheric Pollution Forum		Gothenburg

2013	Cao	Gui-Ying	Participating the Tällberg Form 2013, 13 to 16 June, Sweden	TÄLLBERG FOUNDATION	KARIN BRUCE	Tallberg
2013	Dieckmann	Ulf	Co-organization of and participation in the FroSpects Workshop on "Species interaction and speciation"	Umeå University, Chemical Biological Centre (KBC)	Ake Brännström, Ulf Dieckmann	Umeå
2013	Forsell	Nicklas	Presenting our ideas and views for Horizon 2020 call and promoting our plans	Swedish University of Agricultural Sciences	Professor Ljusk Ola Eriksson	Umeå
2013	Franklin	Oskar	Conference and project meeting	Hotel Riekonlinna and Swedish University of Agricultural Sciences	Prof. Torgny Näsholm	
2013	Höglund Isaksson	Lena	To participate in the seminar on "Europe's sleeping markets" (on how consumer power can be strengthened in the process of dealing with EU-wide challenges like e.g., climate) on March 20, 10-14	Global Utmaning (Global Challenge)		Stockholm
2013	Kraxner	Florian	Participate in the FORSYS Conference (24-26 April, Umea, Sweden)	SLU Umea	Prof. Ljusk-Ola Erikson	Umeå
2013	Lutz	Wolfgang	To attend Royal Colloquium 2013 "A Changing World: Redrawing the Map" as a speaker of the session "The Geography of Knowledge – Human settlements, Migration"	Venue: Royal Palace and Abisko Scientific Research Station		Stockholm and Abisko
2013	Mazzucco	Rupert	Participation in the FroSpects Workshop on "Species interaction and speciation"	Umeå University, Chemical Biological Centre (KBC)	Ake Brännström, Ulf Dieckmann	Umeå
2013	Nakicenovic	Nebojsa	Participate as the delegation from the Nobel Week Dialogue Speakers	Stockholm Concert Hall, Sweden		Stockholm
2013	Nakicenovic	Nebojsa	Will participate in the plenary session as well as two panel session: Plenary: Assessing current energy outlooks Parallel 2A: The changing landscape of fossil fuel dependence: where are we going? Parallel 2B: Our changing climate: how can we balance energy demand with sustainability?	Nobel Media AB	Fatih Birol, Anna-Karin Hatt, Rajendra Pachauri and Christof Rühl, Chris Llewellyn Smith, Shuli Hu, Mario Molina, Daniel Yergin, Lennart Bengtsson http://www.nobelweekdialogue.org/p/anelists/	Gothenburg
2013	Wiberg	David	To attend and present at the UN-Water Meeting (agenda attached) -30 August To attend and present at the World Water Week, Stockholm (full week) Attend World Water Assessment Program private meeting (on behalf of the US Water Partnership (Sept. 4th) Attend the National Water Commission of Mexico presentations (Sept. 4th)	Stockholmsmässan in Älvsjö		Älvsjö

2013	Winiwarter	Wilfried	To participate in the Saltsjöbaden V, International science-policy workshop. The workshop will in particular consider air pollution issues in relation to international conventions and other initiatives such as the European Thematic Strategy on Air Pollution (TSAP), the Climate and Clean Air Coalition (CCAC) and the Stockholm Convention, the Minamata Convention on Mercury and the Arctic Council	Swedish Environmental Protection Agency and IVL Swedish Environmental Research Institute, the Convention on Long-range Transboundary Air Pollution (CLRTAP), the European Commission and the Global Atmospheric Pollution Forum		Gothenburg
2012	Barakat	Bilal	To participate in the European Population Conference (EPC)	Conference venue: Stockholm University, campus Frescati		Stockholm
2012	Bordone	Valeria	To participate in the European Population Conference (EPC)	Conference venue: Stockholm University, campus Frescati		Stockholm
2012	Cosgrove	Bill	To attend the World Water Week in Stockholm - Keynote speaker			Stockholm
2012	Franklin	Oskar	IIASA seminar + project meetings	Department of Forest Ecology and Management, Swedish Agricultural University	Dr Åke Brännström, Prof. Torgny Näsholm	Umeå
2012	Franklin	Oskar	Project meeting "Trees and Crops for the Future"	Department of Forest Ecology and Management, Swedish Agricultural University	Prof. Torgny Näsholm	Umeå
2012	Franklin	Oskar	Project meeting, presentation of research program "Trees and Crops for the Future"	Department of Forest Ecology and Management, Swedish Agricultural University	Prof. Peter Högborg, Prof. Torgny Näsholm	Umeå
2012	Goud Collins	Margaret	Meet with people at Stockholm Environment Institute (SEI) to be arranged on 30 May. Participate in Swedish NMO meeting on 30 May and participate at the workshop Global Systems Challenges - Tools for Decision Making on 31 May	The Swedish Research Council for Environment, Agricultural Sciences and Spatial Planning (FORMAS), IIASA's Swedish NMO, EU COM's office (Europahuset)	Anna Ledin, Rolf Annerberg	Stockholm
2012	Höglund Isaksson	Lena	To participate in the meeting of the Arctic Council Task Force on Short-Lived Climate Forcers	Hosted by the Ministry of the Environment Sweden		Stockholm
2012	K.C.	Samir	To participate in the European Population Conference (EPC)	Conference venue: Stockholm University, campus Frescati		Stockholm
2012	Kabat	Pavel	Meet with people at Stockholm Environment Institute (SEI) to be arranged on 30 May. Participate in Swedish NMO meeting on 30 May and participate at the workshop Global Systems Challenges - Tools for Decision Making on 31 May	The Swedish Research Council for Environment, Agricultural Sciences and Spatial Planning (FORMAS), EU COM's office (Europahuset)	Anna Ledin, Rolf Annerberg	Stockholm

2012	Kaiser	Christina	Providing expertise for the design of a 13C-labeling experiment of tree roots and associated ectomycorrhizal fungi to visualize belowground C allocation at the NanoSIMS facility of the University of Vienna. Discussing project collaboration and crosslinks to soil microbial community modelling	Dept. of Forest Ecology and Management, Swedish University of Agricultural Sciences (SLU)	Peter Hoegberg	Umeå
2012	Klimont	Zbigniew	To participate in the meeting of the Arctic Council Task Force on Short-Lived Climate Forcers	Hosted by the Ministry of the Environment Sweden		Stockholm
2012	Kraxner	Florian	Participate in the International Scientific Workshop on Energy Landscapes – integrating multiple criteria for planning and decision making, to be held 23-24 August 2012 at KTH Royal Institute of Technology in Stockholm. Back-to-back expert meetings on methodologies of the ESM integrated land use modeling cluster as well as to disseminate first results of and promote the REDD-PAC project	KTH Royal Institute of Technology in Stockholm, Department of Land and Water Resources Engineering (LWR); Swedish Research Council FORMAS, KTH Energy Platform and KTH Sustainability	inter alia: Dr. Ulla Mörtberg, Dr. Erik Westholm, Prof. Sten Nilsson	Stockholm
2012	Kryazhimskiy	Arkady	Attending a meeting on a research proposal for FP7 - i.e. 'COMPLEX'	Department of Energy and Technology, Swedish University of Agricultural Sciences	Prof. Hans Liljenström	Uppsala
2012	Kryazhimskiy	Arkady	Invited by the Swedish NMO to give a lecture or two at the Young Scientists School on Systems Analysis being held in Stockholm in October-November		Uno Svedin	Stockholm
2012	Kryazhimskiy	Arkady	Participating in (along with Elena Rovenskaya), the kick-off meeting of the EU-funded COMPLEX project consortium in Sigtuna, Sweden			Sigtuna
2012	Leduc	Sylvain	3rd project meeting of the f3 - OptiSwed project	INNVENTIA AB		Stockholm
2012	Leduc	Sylvain	Invitation for a IIASA seminar at Umeå University, Sweden, organised by FORMAS	SLU campus Umeå		Umeå
2012	Leduc	Sylvain	Kick off meeting of the f3 - OptiSwed project	INNVENTIA AB		Stockholm
2012	Leduc	Sylvain	Meeting at Luleå University of Technology 1- Discussion to upgrade the BeWhere model by including in the chain the logistics of iron ore to the steel industry with combination of biomass - Possibility to have a Phd Student on the topic. 2- Discussion on the development of a biofuel course for master students, where BeWhere will be involved	Division of Energy Engineering	Joakim Lundgren	Luleå

**TRAVEL BY IIASA SCIENTISTS TO SWEDEN
2006-2014**

2012	Loichinger	Elke	To participate in the European Population Conference (EPC)	Conference venue: Stockholm University, campus Frescati		Stockholm
2012	Lutz	Wolfgang	To participate in the European Population Conference (EPC)	Conference venue: Stockholm University, campus Frescati		Stockholm
2012	Nakicenovic	Nebojsa	Will participate and give a presentation at the workshop entitled "Global systems challenges – tools for decision making"	Swedish IIASA NMO - The Swedish Research Council for Environment, Agricultural Sciences and Spatial Planning EU COM's office (Europahuset)	Anna Ledin, Secretary General, The Swedish Research Council for Environment, Agricultural Sciences and Spatial Planning	Stockholm
2012	Obersteiner	Michael	Michael will examine a PhD candidate in Gothenburg, Sweden on land-use modeling and will meet with collaborators at Chalmers University	Energy and Environment Department, Chalmers Technical University	Nils Mannersby	Gothenburg
2012	Potancokova	Michaela	Attending and presenting at the European Population Conference 2012	Stockholm University		Stockholm
2012	Rodrigues	Clarissa	To participate in the European Population Conference (EPC)	Conference venue: Stockholm University, campus Frescati		Stockholm
2012	Skirbekk	Vegard	Attending and presenting at the European Population Conference 2012	Stockholm University		Stockholm
2012	Stonawski	Marcin	Attending and presenting at the European Population Conference 2012	Stockholm University		Stockholm
2012	Strieβnig	Erich	To participate in the European Population Conference (EPC)	Conference venue: Stockholm University, campus Frescati		Stockholm
2012	Voinov	Alexey	Attending a meeting, along with Arkady Kryazhimskiy, on a research proposal for FP7 - i.e. 'COMPLEX'	Department of Energy and Technology, Swedish University of Agricultural Sciences	Prof. Hans Liljenstrom	Uppsala
2012	Weber	Daniela	To participate in the European Population Conference (EPC)	Conference venue: Stockholm University, campus Frescati		Stockholm
2012	Wiberg	David	To attend the Global Water Partnership (GWP) Water Security Expert Consultations meeting			Stockholm
2012	Wiberg	David	To attend the World Water Week in Stockholm			Stockholm
2012	Winder	Nick	Attending a meeting, along with Arkady Kryazhimskiy on a research proposal for FP7 - i.e. 'COMPLEX'	Department of Energy and Technology, Swedish University of Agricultural Sciences	Prof. Hans Liljenstrom	Uppsala

2012	Yoo	Sam Hyun	To participate in the European Population Conference (EPC)	Conference venue: Stockholm University, campus Frescati		Stockholm
2011	Amann	Markus	To participate in the 39th Meeting of the UN/ECE Task Force on Integrated Assessment Modelling	Swedish Environmental Protection Agency		Stockholm
2011	Dieckmann	Ulf	Collaborative work on joint manuscripts and on past and present YSSP projects	Umeå University, Institute for Mathematics	Åke Brännström	Umeå
2011	Dieckmann	Ulf	Coorganization of the "Winter school on eco-evolutionary modeling of speciation"	Abisko Scientific Research Station		Abisko
2011	Dieckmann	Ulf	To continue collaborative work on species packing and community dynamics	University of Stockholm, Department of Zoology	Olof Leimar	Stockholm
2011	Ermolieva	Tatiana	Coordination and planning meeting of the FP7 funded Enrima project	Department of Computer and Systems Sciences (DSV), Stockholm University		
2011	Franklin	Oskar	Discussions and excursion in collaborative project about plant-soil forest modeling	Department of Forest Ecology and Management, Swedish Agricultural University	Prof. Peter Högberg, Prof. Torgny Näsholm	Umeå
2011	Franklin	Oskar	Discussions in collaborative project about plant-soil forest modeling	Department of Forest Ecology and Management, Swedish Agricultural University	Prof. Peter Högberg, Prof. Torgny Näsholm	Umeå
2011	Franklin	Oskar	Discussions in new collaborative project about plant-soil forest modeling	Department of Forest Ecology and Management, Swedish Agricultural University	Prof. Peter Högberg, Prof. Torgny Näsholm	Umeå
2011	Franklin	Oskar	Scientific discussions and future planning in =forest modeling	Department of Forest Ecology and Management, Swedish Agricultural University	Prof. Peter Högberg, Prof. Torgny Näsholm	Umeå
2011	Franklin	Oskar	Project meeting	Department of Forest Ecology and Management, Swedish Agricultural University	Prof. Peter Högberg, Prof. Torgny Näsholm	Umeå
2011	Fuß	Sabine	To present new real options work at the World Renewable Energy Congress 2011	Linköping University Sweden		Linköping
2011	Heyes	Chris	To participate in the Fairmode 4th Plenary and Working Group Meetings	SMHI, Norrköping		Norrköping

2011	Klimont	Zbigniew	To participate in the meeting of the Task Force on Emission Inventories and Projections	UNECE / LRTAP		Stockholm
2011	Kraxner	Florian	1) Participating in Seminar of the Future Forests Program by SLU: Forests in a changing World - integrating values, interests and trade-offs. Presenting/disseminating CC-TAME results 2) Participating in Seminar of the Future Agriculture Program by SLU: livestock, crops and land use. Presenting/disseminating CC-TAME results	Swedish University of Agricultural Sciences SLU, Department of Urban and Rural Development	Prof. Karin Beland-Lindal, Prof. Eric Westholm, Prof. Sten Nilsson et al.	Uppsala
2011	Kraxner	Florian	To present new BECCS work at the World Renewable Energy Congress 2011	Linköping University		Linköping
2011	Kupiainen	Kaarle	To participate in a seminar on SLCF	Swedish Government		Stockholm
2011	Makowski	Marek	Coordination and planning meeting of the FP7 funded Enrima project	Department of Computer and Systems Sciences (DSV), Stockholm University		
2011	Nagai	Yu	Will give a presentation at the 34th International Association for Energy Economics (IAEE) Conference on Institutions, Efficiency and Evolving Energy Technologies	Stockholm School of Economics		Stockholm
2011	Nakicenovic	Nebojsa	Will attend and give a presentation at the Workshop Energy for Sustainable Science: The Energy Management for Large Scale Research Infrastructures	European Organization for Nuclear Research (CERN) European Spallation Source (ESS) European Association of national Research Facilities (ERF)	Catherine Cesarsky, High Commissioner for the Atomic Energy Commission; Jonas Abrahamsson, CEO E-ON Nordic; Einar Hope, Norwegian School of Economics	Lund
2011	Riahi	Keywan	Will attend and give a presentation at the Scoping Workshop on A Global Scenario Assessment of Sustainable Energy Access for All	Stockholm Environment Institute (SEI)	Johan Rockstroem - Executive Director, Stockholm Environment Institute (SEI)	Stockholm
2011	Sasaki	Tatsuya	Continuation of collaborative work on different projects related to the FWF BIOCONTRACT grant	Umeå University, Department of Mathematics and Mathematical Statistics	Åke Brännström	Umeå

2011	Siri	Jose	<p>IMA 2011 - Microsimulation and Policy Design</p> <p>The third General Conference of the International Microsimulation Association will be hosted by Statistics Sweden and the Swedish Ministry of Finance and will take place in the City Conference Center in Stockholm, Sweden from June 8th to 10th, 2011</p> <p>The conference focuses on microsimulation models and their applications. The conference is of interest to both creators and users of microsimulation models in authorities, government departments and companies. It will consist of a range of plenary sessions</p>	International Microsimulation Association at Stockholm City Hall		Stockholm
2011	Spielauer	Martin	<p>IMA 2011 - Microsimulation and Policy Design</p> <p>The third General Conference of the International Microsimulation Association will be hosted by Statistics Sweden and the Swedish Ministry of Finance and will take place in the City Conference Center in Stockholm, Sweden from June 8th to 10th, 2011</p> <p>The conference focuses on microsimulation models and their applications. 2011	Wagner	Fabian	To participate in the 39th Meeting of the UN/ECE Task Force on Integrated Assessment Modelling	Swedish Environmental Protection Agency		Stockholm
2010	Casti	John	To meet Research Team on Agent-Based Modeling at Handelsbanken. The purpose is to explore collaborative modes of interaction with Xevents			Stockholm
2010	Franklin	Oskar	Discussions of new collaborative project about forest ecosystem modeling. Linking carbon and nutrient fluxes between soil and vegetation based on high resolution experimental data and modeling. Scientifically linked to the MICDIF project and to my ongoing GGI project on forest modeling	Department of Forest Ecology and Management, Swedish Agricultural University	Prof. Peter Högberg, Prof. Torgny Näsholm	Umeå
2010	Fuß	Sabine		KTH - Royal Institute of Technology School of Industrial Engineering and Management Energy and Climate Studies		Stockholm

2010	Gomez Echeverri	Luis	Attending the Global Energy Assessment Stakeholder Consultation Focus on Fossil Energy Resources: Addressing the Uncertainties	Stockholm Environment Institute (SEI)	Anders Wijkman (Member of the European Parliament) Johan Rockström (SEI)	Stockholm
2010	Johansson	Thomas B.	Attend the Global Energy Assessment (GEA) Knowledge Module 3 Writing Team Meeting	Stockholm Environment Institute (SEI)	Kebin He, Tsinghua University, China Johan R�ockstrom, Stockholm Environment Institute (SEI)	Stockholm
2010	Johansson	Thomas B.	Attending the Global Energy Assessment Stakeholder Consultation Focus on Fossil Energy Resources: Addressing the Uncertainties	Stockholm Environment Institute (SEI)	Anders Wijkman (Member of the European Parliament); Johan Rockstr�om (SEI)	Stockholm
2010	Kraxner	Florian	Participating in the international conference: Our Future in the Making 2: Assessing Future Studies for a New Era	Institute for Futures Studies, Sweden Royal Institute of Technology KTH	Prof Eric Westholm	Stockholm
2010	Kraxner	Florian	Participation in the UNECE/FAO Forest Communicators Network Meeting	Event is hosted by the Swedish Ministry of Agriculture and the Swedish Forest Agency	Dr. Gerben Janse, International Coordinator; Skogsstyrelsen / Swedish Forest Agency; Dr. Ingwald Gschwandtl, Austrian Ministry of Agriculture, Forestry, Water and Environment	Gothenburg
2010	Leduc	Sylvain	2010 International Energy Workshop (IEW)			Stockholm
2010	Lutz	Wolfgang	Keynote speaker at the Colloquium on Population Dynamics in a Warmer World and also participate in a panel discussion	National Committee for Geography in collaboration with the Earth System Governance project of the IHDP		Stockholm
2010	Mechler	Reinhard	Presentation in Climate change adaptation in Nordic Countries Participation in Mediation workshop			Stockholm
2010	Ormerod	Paul	To meet Research Team on Agent-Based Modeling at Handelsbanken. The purpose is to explore collaborative modes of interaction with Xevents			Stockholm
2010	Patt	Tony	Participate in workshop on uncertainty in climate adaptation	Stockholm Environment Institute (SEI)		Stockholm
2010	Rogner	Holger	Attending the Global Energy Assessment Stakeholder Consultation Focus on Fossil Energy Resources: Addressing the Uncertainties	Stockholm Environment Institute (SEI)	Anders Wijkman (Member of the European Parliament); Johan Rockstr�om (SEI)	Stockholm

2010	Wagner	Fabian	Lecture about RAINS/GAINS in the Air Quality Management Course of the Swedish Meteorological and Hydrological Institute	Swedish Meteorological and Hydrological Institute		Norrköping
2010	Wagner	Fabian	Lectures on Integrated Assessment Modeling with the GAINS India Model at the SMHI course on Air Pollution Management for Indian participants	SMHI	Magnusz Enghardt	Norrköping
2010	Williges	Keith	"Climate Adaptation in the Nordic Countries" Conference in Stockholm, Sweden			Stockholm
2010	Wilson	Charles	Will be giving a presentation at the International Energy Workshop	KTH Royal Institute of Technology		Stockholm
2009	Amann	Markus	To participate in the Air & Climate Workshop and deliver a keynote speech, and to participate in the 2nd Meeting of the UNEP Black Carbon assessment	Swedish Environmental Protection Agency		Gothenburg
2009	Davis	Ged	Tallberg Forum 2009: How on earth can we live together within the planetary boundaries?	Tallberg Foundation		Tallberg
2009	Franklin	Oskar	Conference			Uppsala
2009	Gomez Echeverri	Luis	Attend the Tallberg Forum 2009			Tallberg
2009	Grubler	Arnulf	To attend the Global Energy Assessment Knowledge Module (24) Working Group Meeting on Innovation (Conference Number 09065) and to discuss the knowledge module on innovation and prepare first order draft in the Writing Team Meeting	Lund University	Lena Neij	Lund
2009	Johansson	Jacob	Collaboration on joint projects on reproductive allocation schedules in plant communities	Umeå University	Åke Brännström	Umeå
2009	Johansson	Jacob	Collaborative research on a food-web evolution	Department of Theoretical Ecology, Lund University	Jorgen Ripa	Lund
2009	Kindermann	Georg	Participation at the workshop: Impact Models in support of Forest Adaptation Planning	MISTRA-SWECIA, Swedish Meteorological and Hydrological Institute (SMHI)		Norrköping
2009	Klimont	Zbigniew	To participate in the 2009 EUCAARI Annual Meeting	EUCAARI / Stockholm University		Stockholm

2009	Macaspac	Ariel	<p>I was appointed co-editor of the current PIN book project "Re-negotiating Climate Change" with Gunnar Sjöstedt as main editor. The appointment by the PIN steering committee aims to speed up the process of the book project which has been in the pipeline for years.</p> <p>Three meetings are planned to finalize the book project: April/ May in Stockholm June in Laxenburg July in Laxenburg</p> <p>the first meeting is planned for Stockholm because of the resources available at Gunnar's institute and of his work schedule. I will have my own office in the institute. Because of the urgency of the matter, we cannot wait until summer so therefore there is a need to travel to Stockholm in order to meet our publication deadline.</p>	Swedish Institute of International Affairs	Gunnar Sjöstedt	Stockholm
2009	Macaspac	Ariel	To follow the invitation of the organizers to participate as an expert on crisis management and civil society particularly in South East Asia	Folke Bernadotte Academy, Swedish Institute of International Affairs, Swedish Peace and Arbitration Society		Stockholm
2009	Nakicenovic	Nebojsa	Attending UN SG advisory meeting hosted by Vattenfall			Stockholm
2009	Nakicenovic	Nebojsa	Keynote presentation at the Swedish EU Presidency Conference on New Worlds - New Solutions - Research and Innovation as a Basis for Developing Europe in a Global Context	Statistisches Bundesamt	Lars Leijonborg, Swedish Minister for Higher Education and Research	Wiesbaden
2009	Nakicenovic	Nebojsa	Speaker at the 2009 Royal Colloquium on Climate Action: Tuning in on Energy, Water and Food Security		King Carl XVI Gustaf of Sweden Anders Karlqvist	Bonhamn
2009	Nilsson	Sten	Meeting	Institute for Futures Studies	Prof. Erik Westholm	Stockholm
2009	Nilsson	Sten	To give a keynote address at the 2009 Marcus Wallenberg Prize Symposium	The Royal Swedish Academy of Engineering Sciences (IVA)		Stockholm
2009	Nilsson	Sten	To give a keynote address at the Swedish EU Chairmanship Symposium with EU Forest Ministers and General Directors.	Swedish Forest Agency	Dr. Gerben Janse, International Coordinator	Jonkoping
2009	Nilsson	Sten	To give me a presentation and participate at the "Stockholm Strategi Torget Skogsindustrin Event" (Industry Forum Forest Industry)	Hasseluddens Konferens & Yasuragi	Fredric Holmgren	Saltsjö-Boo

2009	Nilsson	Sten	To participate in the Tallberg Forum 2009 as Chair of session: "Reality Check: Land use and Food Production", and also to session: "The Global Challenge of Forestry"	Tallberg Foundation	Bo Ekman	Stockholm
2009	Patt	Tony	Attend ADAM meeting	Lund University		Lund
2009	Rao-Skirbekk	Shilpa	To give a presentation at the Network Oil and Gas (NOG) seminar on energy system modeling	Network Oil and Gas, AF-Consult AB, Division Energy	Hanna Paradis, Department Energy and System Analysis	Stockholm
2009	Schröter	Dagmar	Lecture at Summer School	Department of Crop Production Ecology		Uppsala
2009	Schöpp	Wolfgang	To participate in the 19th CCE Workshop + 25th Task Force Meeting of the Convention on Long-range Transboundary Air Pollution Working Group on Effects International Cooperative Programme on Modelling and Mapping (ICP M&M) of critical levels & loads and air pollution effects, risks and trends	Swedish Environmental Protection Agency/PBL Bilthoven, Netherlands		Stockholm
2009	Sendzimir	Jan	Workshop SES Database and Institutional Analysis Ontology	Stockholm Resilience Centre, Stockholm University	Oonsie Biggs	Stockholm
2009	Sendzimir	Jan	Workshop on resilience of Sahel social-ecological systems	Stockholm Resilience Centre Stockholm University	Elin Enfors	Stockholm
2009	Skirbekk	Vegard	Give a paper at the FISS Seminar on Social Security, Poverty and Social Exclusions in Rich and Poor Countries	Foundation for International Studies of Social Security (FISS)		Sigtuna
2009	Skirbekk	Vegard	Work on migration on June 15, 18, 19	Uppsala University	Dr. Zamac	Uppsala
2009	Wagner	Fabian	Lecture about RAINS/GAINS in the Air Quality Management Course of the Swedish Meteorological and Hydrological Institute	Swedish Meteorological and Hydrological Institute		Norrköping
2009	Winiwarter	Wilfried	To participate in the 4th ENA Workshop on Managing Nitrogen in Relation to Key Societal Threats	ENA/Swedish Env. Authority		Gothenburg
2009	von Winterfeldt	Detlof	Participate in the Euro-Atlantic Stakeholders Conference (EASC 09)	The Stockholm City Conference Center/Folkets Hus		Stockholm
2009	von Winterfeldt	Detlof	Participate in the Swedish NMO Meeting	FORMAS	Rolf Annerberg	Stockholm

2009	Östergren	Johan	Discuss current model and future projects regarding sea trout	Swedish University of Agricultural Sciences (SLU)		Umeå
2008	Amann	Markus	To participate in the Conference on Air Pollution and Climate Change: Developing a Framework for Integrated Co-benefits Strategies	Global Atmospheric Pollution Forum/UNECE		Stockholm
2008	Bodin	Mats	Participate in theme workshop on the population dynamical consequences of harvesting-induced adaptive evolution	Lund University		Lund
2008	Bodin	Mats	Research collaboration with Åke Brännström	Department of Mathematics, University of Umeå	Åke Brännström	Umeå
2008	Cofala	Janusz	To participate in the conference 'Luftföroreningar och klimatförändringar - samverkan för bästa resultat'	Swedish Naturvårdsverket		Stockholm
2008	Davis	Ged	Attend the Global Energy Assessment Council Meeting	International Institute for Industrial Environmental Economics (IIIEE)		Lund
2008	Davis	Ged	Tallberg Forum 2008	Tallberg Foundation	Karin Bruce	Tallberg
2008	Dieckmann	Ulf	(1) Participate in the PhD Jury Committee for Jacob Johanson's defense. (2) Collaborative research on stochastic evolutionary dynamics.	Department of Theoretical Ecology, Lund	Jörgen Ripa	Lund
2008	Goldemberg	Jose	Attend the Global Energy Assessment Council Meeting	International Institute for Industrial Environmental Economics (IIIEE)		Lund
2008	Hordijk	Leen	Attend funeral of Bert Bolin (previous SAC Chairman)			Stockholm
2008	Höglund Isaksson	Lena	To participate in the EAERE 16th Annual Conference	EAERE		Gothenburg
2008	Johansson	Jacob	Collaboration on two manuscripts on speciation in stochastic environments	University of Lund	Joergen Ripa	Lund
2008	Johansson	Jacob	Collaboration with Åke Brännström on evolutionary plant models	Umeå University	Åke Brännström	Umeå
2008	Johansson	Thomas	Meeting at the European Commission to discuss funding			Lund
2008	Lutz	Wolfgang	Give a keynote speech at the Symposium on Equality without Children	Institute for Futures Studies, with support from the FAS, Swedish Council for Working Life and Social Research		Stockholm
2008	Lutz	Wolfgang	Present POP's work at the Tallberg Forum 2008			Tallberg

2008	Macaspac	Ariel	Meeting about the COST action group project and cooperation between the Swedish Institute for International Affairs and PIN-IIASA.
