

TRAVEL BY IIASA SCIENTISTS TO THE UKRAINE
2008-2016

YEAR	LAST NAME	FIRST NAME	PURPOSE	HOST	CONTACT	CITY
2016	Deppermann	Andre	Giving a presentation at the conference and participate in the consortium meeting	Oleg Nivievskiy	The Institute for economic research and policy consulting	Kiev
2016	Fritz	Steffen	to train SIGMA/JECAM partners using different Geo-wiki tools - WP31	-	-	Kiev
2016	Krisztin	Tamas	Discuss overview, progress and next steps of work packages and present WP52, Task 2-3, and WP53, tasks 1,2,3.	Nataliia Kussul	Space Research Institute NASU-SSAU & National Technical University of Ukraine Kyiv Polytechnic Institute	Kiev
2016	Leclere	David	Discuss overview, progress and next steps of work packages and present WP52, Task 2-3, and WP53, tasks 1,2,3.	Nataliia Kussul	Space Research Institute NASU-SSAU & National Technical University of Ukraine Kyiv Polytechnic Institute	Kiev
2016	Lesiv	Myroslava	To train SIGMA/JECAM partners using different Geo-wiki tools Will present results from my SIFCAS project at this workshop. The project ended on 31 August 2016 - but 60 days are allowed thereafter to report and disseminate on the results.			Kiev
2016	Shvidenko	Anatoly	According to the Expert Facility Services CEEF2015-036-UA (project 16-111) IIASA ESM should organize a workshop with stakeholders in Kiev and present the results of the Project for discussion	officials from the State Committee of Forest Resources of Ukraine, Ministry of Ecology and Mnl Resources of the Ukraine, representatives from Academia and Universities	State Committee of Forest Resources of Ukraine	Kiev
2016	Shvidenko	Anatoly	As the internal expert of this project, I will work with national experts, conduct meetings at the State Committee of Forest Management of Ukraine and Ministry of Ecology of Ukraine	Officials from the Ministry and the State Committee of Forest Management (Dr. Kornienko, Dr. Polyakova, Dr. Slyvinskaya), national experts (Dr. Buksha, Dr. Krakovskaja), representaive of ClimaEast in Ukraine Dr V. Zhezhrin, Prof. P. Lakyda, Prof. S. Sibzev (NULES)		Kiev
2016	Shvidenko	Anatoly	Discussion on major suggestions on improvement of national reporting of Ukraine to UN FCCC with the beneficiary and national experts, considering the initial draft of the Final Report	Ministry of Ecology: Dr. M. Chizhenko, Dr. V. Slyvynska; National experts: Dr. I. Buksha, Prof. P. Lakyda, Dr. I. Lakyda; Coordinator of ClimaEast V. Zhezherin; State Agency on Forest Resources of Ukraine: V. Romanovsky and others	Ministry of Ecology and Natural Resources of Ukraine	Kiev
2016	Turkovska	Olga				Lviv
2015	Ermolieva	Tatiana	To present results and future plans of IIASA-NASU project "Integrated modeling of food, energy and water security management for sustainable social, economic and environmental developments". Will also attend the follow-up presentations and have discussions with participants in the IIASA-NASU project from the following institutes: 1) Institute of Cybernetics 2) Institute of General Energy 3) Institute of Economics and Forecasting 4) Institute of Demography and Social Studies			Kiev

TRAVEL BY IIASA SCIENTISTS TO THE UKRAINE
2008-2016

2015	Jonas	Matthias	12-15 Oct - Working meeting at Lviv Polytechnic National University (LPNU) and public lecture. 15-16 Oct - Visit to Ukraine NMO and public lecture.	Rostyslav Bun		Lviv
2015	Lesiv	Myroslava	To present experience of applying for Marie Curie grant and disseminate SIFCAS project results (Deliverable 1)	Lviv Polytechnic National University	Professor Rostyslav Bun	Lviv
2015	Moorthy	Inian	Attending the Crop Monitoring Joint Workshop to discuss possible collaboration in areas of operational crop monitoring, forecasting and supporting technologies. I will be presenting IIASA's research in the use of crowdsourcing and related technologies (i.e. Geo-Wiki) for land use and land cover monitoring. New ideas to extend such methods and technologies to crop monitoring will be discussed. This activity is part of the SIGMA Project as it provides insights regarding current standards and technology advancements in crop monitoring of European and Global forecasting systems. I will contribute to the dissemination of methods and tools for crop area estimates as part of WP7 of the SIGMA project. Also the event will be used for networking and establishing contacts for collaboration in upcoming proposals (GEOGLAM) within European H2020 and other funding programmes.	Guido Lemoine	Joint Research Centre	Kiev
2014	Shchepashchenko	Dmitry	Collaborative work on GESAPU project	Lviv Polytechnic National University	Professor Rostyslav Bun	Lviv
2013	Ermolieva	Tatiana	Participating in the Ukrainian NMO meeting along with Pavel Kabat Also having discussions around current results and future plans of the joint IIASA-NASU project.	1) National Academy of Sciences of Ukraine (NASU) 2) Institute of Economics and Forecasting 3) Institute of Cybernetics	Academician Geyets Prof. Knopov	Kiev
2013	Ermolieva	Tatiana	Collaborative work on GESAPU project	National University of Life Sciences of Ukraine	Professor Petro Lakyda	Kyiv
2013	Goud Collins	Margaret	Accompany Director on NMO visit to Ukraine	National Academy of Sciences of Ukraine (NASU)		Kiev
2013	Kabat	Pavel	To meet with the Ukrainian NMO about ongoing and future scientific collaborations, and to give a presentation at the All-Ukrainian Festival of Science.	National Academy of Sciences of Ukraine (NASU)	Boris Paton Anatoly Zagorodny Valeriy Heyets Ella Libanova Ivan Sergiyenko	Kiev

TRAVEL BY IIASA SCIENTISTS TO THE UKRAINE
2008-2016

2013	Shchepashchenko	Dmitry	Collaborative work on GESAPU project 11-28	Lviv Polytechnic National University	Professor Rostyslav Bun	Lviv
2013	Shvidenko	Anatoly	1) plenary presentation; 2) discussions on future collaboration	National University of Life Sciences of Ukraine	Acad. D. Melnichuk, Rector; Prof. P. Lakyda, Director of Forest Institute	Kiev
2013	Shvidenko	Anatoly	1) Moderator of the Workshop; 2) 5 presentations on behalf the ESM Program		Officials from Ukrainian Ministry of Environment Protection	Kiev
2013	Shvidenko	Anatoly	Research and capacity building on GESAPU Project	National University of Life Sciences of Ukraine	Prof. Lakida P.I., Acad. Lyalko V.I., Dr. Shlikhta V.M. and others	Kiev
2013	Yermoliev	Yurii	Participating in the Ukrainian NMO meeting along with Pavel Kabat Also having discussions around current results and future plans of the joint IIASA-NASU project.	1) National Academy of Sciences of Ukraine (NASU) 2) Institute of Economics and Forecasting 3) Institute of Cybernetics 4) Institute of General Energy 5) Institute of Remote Sensing	Acad. Boris Paton Acad. Zagorodny Acad. Kulik	Kiev
2013	Yermoliev	Yurii	1. Participation in the International School "Problems of Decision Making under Uncertainties", September, 16-22. 2. Participation in the XXII International PDMU-2013 conference, September 23-27.	1. and 2. Crimean Humanitarian University, Yalta.		Yalta
2012	Ermolieva	Tatiana	Invited to the NASU-IIASA collaborative workshop on Integrated modeling of food, energy and water security management for sustainable social, economic and environmental developments.	National Academy of Sciences of Ukraine (NASU)	Academician A. Zagorodny - Ukrainian NMO	Kiev
2012	Jonas	Matthias	Presentation and end-of-project preparations	Lviv Polytechnic National University	Professor Rostyslav Bun	Lviv - 31

TRAVEL BY IIASA SCIENTISTS TO THE UKRAINE
2008-2016

2012	Shchepashchenko	Dmitry	Collaborative work on GESAPU project	National University of Life Sciences of Ukraine	Professor Petro Lakyda	Kyiv
2012	Shchepashchenko	Dmitry	Collaborative work on GESAPU project	National University of Life Sciences of Ukraine	Professor Petro Lakyda	Kyiv
2012	Shvidenko	Anatoly	Research on GEASPU Project	National University of Life Sciences of Ukraine	Prof. P. Lakida, Acad. V. Ljalko, Acad. D. Melnichuk, others	Kyiv
2012	Shvidenko	Anatoly	(1) Research on GEASPU Project -development of unified methodology of modeling growth and NPP for forests of Ukraine; (2) Preparation of a new Proposal (call SPA.2013.1.1-02: WP 2013, Cooperation, Theme 3 Space, Area 9.3.2.) as extension of the GESAPU Project; (3) editorial work on new papers on the topic	National University of Life Sciences of Ukraine	Prof. P. Lakida, Dr. R. Vasylyshyn, Dr. S. Zibtsev, Acad. V. Ljalko, Dr. A. Sakhatsky, Mr. D. Gilitukha, others	Kyiv
2012	Shvidenko	Anatoly	(1) Research on GEASPU Project -development of unified methodology of modeling growth and biological productivity for forests of Ukraine; (2) Work on a new Proposal (call SPA.2013.1.1-02: WP 2013, Cooperation, Theme 3 Space, Area 9.3.2.) as extension of the GESAPU Project; (3) participation in a Workshop on forest inventory in Ukraine; (4) work on a book "Forest carbon in Ukraine"	National University of Life Sciences of Ukraine	Prof. P. Lakida, Dr. R. Vasylyshyn, Dr. S. Zibtsev, Acad. V. Ljalko, Dr. A. Sakhatsky, Mr. D. Gilitukha, others	Kyiv
2012	Yermoliev	Yurii	Invited to the NASU-IIASA collaborative workshop on Integrated modeling of food, energy and water security management for sustainable social, economic and environmental developments	National Academy of Sciences of Ukraine (NASU)	Academician A. Zagorodny - Ukrainian NMO	Kiev
2012	Yermoliev	Yurii	To participate in the Ukrainian NMO meeting and to prepare a detailed work plan for a joint project of IIASA and Ukrainian NMO (National Academy of Science, Ukraine, NASU) "Integrated Modeling of Food, Energy and Water Security for Sustainable Social, Economic and Environmental Developments"			Kiev
2011	Kryzhimskiy	Arkady	Participating in the workshop on "Socio-economic co-evolution of Russia and Ukraine: a system-analytic perspective"			Kiev
2011	Shchepashchenko	Dmitry	Collaborative work on GESAPU project	National University of Life Sciences of Ukraine	Professor Petro Lakyda	Kyiv

TRAVEL BY IIASA SCIENTISTS TO THE UKRAINE
2008-2016

2011	Shchepashchenko	Dmitry	Collaborative work on GESAPU project	Lviv Polytechnic National University	Professor Rostyslav Bun	Lviv
2011	Shvidenko	Anatoly	Workshop on Strategy of cooperation with Ukraine and Russia organized by Russian and Ukrainian NMO, Academy of Sciences	Ukrainian National Polytechnical University and Ukrainian National University of Life Resources	Ambassador Zurabov of Russia in Kiev among others	Kiev
2011	Shvidenko	Anatoly	Collaborative work on GESAPU project	National University of Life Sciences of Ukraine	Professor Petro Lakyda	Kyiv
2011	Shvidenko	Anatoly	Collaborative work on GESAPU project	Lviv Polytechnic National University	Professor Rostyslav Bun	Lviv
2010	Böttcher	Hannes	BEE Project meeting			Kyiv
2010	Ermolieva	Tatiana	To attend a conference on robust emission trading under uncertainties	Lviv Polytechnic National University	Professor Rostyslav Bun	Lvov
2010	Fuß	Sabine	To present at the 3rd International Workshop on Uncertainty in Greenhouse Gas Inventories in Lviv, Ukraine	Lviv Polytechnic National University	Prof. A. Bun, Prof. S. Miklush, Prof. Z. Nagorsky, others	Lviv
2010	Jonas	Matthias	Participation in the 3rd International Workshop on Uncertainty in Greenhouse Gas Inventories, Lviv, Ukraine, 22 to 24 September; Steering Committee Meeting for GESAPU Project, and to discuss further steps for publication of conference papers	Lviv Polytechnic University; Ukrainian National Forest University	Prof. A. Bun, Prof. S. Miklush, Prof. Z. Nahorski, and others.	Lviv
2010	Macaspac	Ariel	Co-organizing the international workshop with Forestry Program and Lviv Polytechnical University	Lviv Polytechnic National University	Professor Rostyslav Bun	Lviv
2010	Rafaj	Peter	To participate in the 3rd International workshop on Uncertainty in Greenhouse Gas Inventories	Lviv Polytechnic National University		Lviv
2010	Scherbov	Serguei	UNFPA Regional (Eastern Europe and Central Asia) Meeting of Population and Development	UNFPA		Kiev
2010	Shvidenko	Anatoly	Participation in the 3rd International Workshop on Uncertainty in Greenhouse Gas Inventories, Lviv, Ukraine, 22 to 24 September; Steering Committee Meeting for GESAPU Project	Lviv Polytechnic National University	Prof. A. Bun, Prof. S. Miklush, Prof. Z. Nagorsky, others	Lviv

TRAVEL BY IIASA SCIENTISTS TO THE UKRAINE
2008-2016

2010	von Winterfeldt	Detlof	Discussions with the NMO with respect to how cooperation between Ukraine and IIASA will proceed in the future	National Academy of Sciences of Ukraine (NASU)	Acad. Anatoly P. Shpak	GSP Kiev-30
2009	Dubel	Anna	SCENES Crimea PA Workshop; Development of Modells	Institute of Hydraulic Engineering and Land Reclamation of the Ukrainian Academy of Agrarian Science	Olga Zhovtonog	Kiev
2009	Sendzimir	Jan	Case Study Crimea - Stakeholder Workshop		Olga Zhovtonog	Simferopol
2009	Sendzimir	Jan	Help guide and observe meeting of stakeholders for a backcasting exercise to refine scenarios of water quality and quantity in the Crimea, Ukraine, and to run an interactive role-playing game for water managers and floodplain farmers	Institute of Hydraulic Engineering and Land Reclamation of the Ukrainian Academy of Agrarian Science	Olga Zhovtonog	Simferopol
2009	Shvidenko	Anatoly	Participation in the European Commission Expert Mission to Ukraine to foster methodological assistance in preparation of national forest inventory and determination of some aspects of its introduction	State Forestry Committee of Ukraine, National University of Natural Resources, Ukrainian Forest Inventory Enterprise	Drs. O. Marchuk and M. Medvid, Deputies of Head of the State Forestry Committee of Ukraine, Acad. D. Melnichuk, Rector of the National University of Natural Resources, representatives of scientific institutions	Kiev
2009	von Winterfeldt	Detlof	Discuss current issues and perspectives of cooperation and meeting with Academy of Sciences	National Academy of Sciences of Ukraine (NASU)	Acad. Anatoly P. Shpak	Kyiv-30
2009	Yermoliev	Yurii	- Participation in the NMO meeting as well as participation in the General Meeting of the NASU. - To attend the elections to the members of the National Academy of Sciences of Ukraine on February, 2-5	Committee for Systems Analysis at Presidium of National Academy of Sciences of Ukraine.		Kiev-30
2008	Dubel	Anna	SCENES 2nd Crimea Pilot Area Workshop; Development of CLD Modells	IHLER	Olga Zhovtonog	Kiev, Simferopol
2008	Dubel	Anna	SCENES Crimea PA Workshop; Development of Modells	IHLER	Olga Zhovtonog	Kiev, Simferopol, Yalta
2008	Ermolieva	Tatiana	To attend "Problems of Decision Making under Uncertainty" Crimea (Novy Svit) Ukraine from 22-29 Sept. and attend workshop on "Issues of Ukrainian and European Land Resources as a Potential Biofuel Production" Kiev, 2-3 Oct	Taras Shevchenko Nat. Univ. of Kiev and Committee for Systems Analysis at Presidium of National Academy of Sciences of Ukraine.	Acad. Anatoly P. Shpak	Kiev

**TRAVEL BY IIASA SCIENTISTS TO THE UKRAINE
2008-2016**

2008	Fischer	Günther	To attend the conference "Land Resources of Ukraine and Europe as the Potential for Biofuel Production"	Institute for Economy and Forecasting of the National Academy of Sciences of Ukraine - Economy and Policy of Agrarian Transitions Department	Acad. Anatoly P. Shpak	GSP Kiev-30
2008	Gusti	Mykola	Giving a presentation in a conference "Sustainable forest management in the context of Kyoto Protocol implementation in the region of Central and Eastern Europe"	National Agriculture Academy of Ukraine	Professor Petro Lakyda	Kyiv
2008	Nilsson	Sten	Participate in the Workshop on issues of Ukrainian and European land resources as a potential of biofuel production	National Academy of Sciences of Ukraine (NASU)	Acad. Anatoly P. Shpak	Kiev-30
2008	Nilsson	Sten	Attend the Celebration of the 90th Anniversary of the National Academy of Sciences of Ukraine	National Academy of Sciences of Ukraine (NASU)	Acad. Borys E. Paton, President	Kiev 30
2008	Sendzimir	Jan	All partner meeting for case study research	Slavutich Hotel	Olga Zhovtonog	Kiev
2008	Shvidenko	Anatoly	Invited speaker at the Meeting of the Presidium of the Ukrainian Forestry Academy together with representatives of the Ukrainian government, regional administrations, universities, representatives of neighboring countries etc. on the topic "Water regulating role of Carpathian forests and catastrophic floods"	National Forest-Technical University		L'viv
2008	Yermoliev	Yurii	Participation in the NMO meeting, discussions of collaborative research with the National Academy of Sciences of Ukraine and with the Institute of Cybernetics, and of the conference on decision making under uncertainty (to be co-organized by IIASA).	National Academy of Sciences of Ukraine (NASU)		Kiev
2008	Yermoliev	Yurii	Participation in the NMO meeting, discussions of collaborative research with the National Academy of Sciences of Ukraine and with the Institute of Cybernetics, and of the conference on decision making under uncertainty (to be co-organized by IIASA). 1. August 21 -22 Committee meeting of PDMU workshop 2. August 23 - September 21 Home Leave 3. September 22 - 27 PDMU workshop, Simferopol + (accommodation) 4. September 28 - October 3 NMO meeting and workshop	National Academy of Sciences of Ukraine (NASU)		Kiev
