2010-2017**

YEAR	LAST NAME	FIRST NAME	PURPOSE OF THE VISIT	CONTACT PERSON	VISIT HOSTED BY/HOSTED AT	CITY
2017	Amann	Markus	<p>1. To work with Tsinghua University on the modeling for the Program for Results project on AQM for Hebei Province</p> <p>2. To meet with the China Research Academy of Environmental Sciences to prepare the GAINS training session on the JingJinJi region.</p>	World Bank Office, Beijing Tsinghua University	World Bank Office	Beijing
2017	Fischer	Günther	<p>Our collaborative work addresses the important methodological issues in developing practical tools applicable at multiple geographical scales as needed for planning rational adaptation of agriculture to cope with the impact of climate change. We also plan to conduct a fieldwork in Qinghai and to visit National Climate Centre in Beijing to disseminate the results of our project.</p>	Zhan Tian. Ph.D	Shanghai Climate Center	Shanghai
2017	He	Xiaogang	<p>My trip to Shanghai is to participate an international workshop, which will focus on 1) challenges in sustainability of water resources in the Yangtze delta and 2) solutions based on the collaboration of both sides (IIASA and ECNU). My YSSP has potential to contribute to the collaboration as I am working on the coupling of the hydrological and agent-based model. This new coupled framework can be applied to Yangtze River as an additional case study.</p>	Prof Min Lin, Deasn of School of Geographic Sciences	East China Normal University	Shanghai
2017	Liu	Wei	<p>Meeting BNU International Center for Collaborative Research on Disaster Risk Reduction to discuss reserach collaboration on Nepal Landslide Disaster Risk Reduction and potential funding support</p>	Prof. Yang Saini	BNU International Center for Collaborative Research on Disaster Risk Reduction	Beijing
2017	Lutz	Wolfgang	<p>to coordinate preparations and participate in the workshop as well as have collaborative discussions with ADRI staff</p>			Shanghai
