

YEAR	LAST NAME	FIRST NAME	PURPOSE	HOSTED BY	CONTACT	CITY
2017	Amann	Markus	Member of IIASA's delegation to Japan		Japan Committee for IIASA	Tokyo
2017	Forsell	Nicklas	To present the work that has been done within the PBL project by IIASA on developing LULUCF projections for countries within the Asia region. Specifically, modeling of current policies and the ongoing developments within specific sectors will be discussed. The trip to Japan directly links to the ongoing work that is being performed in Task 2 of the project.		Ashi Yoshimoto	Hiroshima
2017	Grubler	Arnulf	To attend events designed to enhance collaboration between the Japanese research community and IIASA and to develop research collaboration with The World in 2050 (TWI2050) Project. The visit will also combine bilateral meetings with the Japanese Government and members of the Japanese research community. See relevant attached agendas.	Institute for the Advanced Study of Sustainability, United Nations University (UNU-IAS)	Additional bilateral meetings will be organized with: Dr. Keigo Akimoto (RITE, Dr. Kiyoshi Takahashi (NIES), Dr. Eric Zusman (IGES) Ministry of Economy, Trade and Industry (METI) Ministry of Environment New Energy and Industrial Technology Development Organization (NEDO) Japan Science and Technology Agency (JST) Professor Taikan Oki, Senior Vice-Rector, United Nations University Professor Tetsuzo Yasunari, Director General (RIHN)	Tokyo
2017	Hochrainer-Stigler	Stefan	IIASA was selected as a member institute with GADRI and the meeting should set up the stage for further collaboration as well as participating in the global summit (all GADRI Board of Director members are requested to be there)			Kyoto
2017	Kabat	Pavel	To attend events designed to enhance collaboration between the Japanese research community and IIASA and to develop research collaboration with The World in 2050 (TWI2050) Project. The visit will also combine a meeting with the IIASA-Japan NMO Committee, bilateral meetings with the Japanese Government and members of the Japanese research community. See relevant attached tentative agendas. Bilateral meetings include: Taikan Oki (Vice Rector of UNU), Jun Takashina (Deputy Director General, METI), Mits Yamaguchi (RITE), Dr. Hamazaki (Director General, JST), Hubert Heiss (Austrian Ambassador to Japan).		Additional bilateral meetings will be organized with: Taikan Oki (Vice Rector of UNU), Jun Takashina (Deputy Director General, METI), Mits Yamaguchi (RITE), Dr. Hamazaki (Director General, JST), Hubert Heiss (Austrian Ambassador to Japan)	Tokyo
2017	Kahil	Taher	Participation and presentation of our work			Chiba-city,

2017	Kahil	Taher	To catch up latest research hot topics To develop/deepen profound scientific networking	Oki-laboratory, University of Tokyo		Tokyo
2017	Kahil	Taher	To seek possibility of future collaboration work To present the hydro-economic model To develop/deepen profound scientific networking	Research Institute for Humanity and Nature	Prof. Dr. Makoto Taniguchi	Kyoto
2017	Mechler	Reinhard	Award keynote	Disaster Prevention Research Institute University Kyoto	Hirokazu Tatano, DPRI	Kyoto
2017	Montgomery	Kim	To accompany IIASA Director General and CEO Professor Dr. Pavel Kabat			Tokyo
2017	Nakicenovic	Nebojsa	To attend events designed to enhance collaboration between the Japanese research community and IIASA and to develop research collaboration with The World in 2050 (TWI2050) Project. The visit will also combine bilateral meetings with the Japanese Government and members of the Japanese research community. See relevant attached agendas.	Institute for the Advanced Study of Sustainability, United Nations University (UNU-IAS)	Additional bilateral meetings will be organized with: Dr. Keigo Akimoto (RITE), Dr. Kiyoshi Takahashi (NIES), Dr. Eric Zusman (IGES) Ministry of Economy, Trade and Industry (METI) Ministry of Environment New Energy and Industrial Technology Development Organization (NEDO) Japan Science and Technology Agency (JST) Professor Taikan Oki, Senior Vice-Rector, United Nations University Professor Tetsuzo Yasunari, Director General (RIHN)	Tokyo
2017	Nakicenovic	Nebojsa	To give a keynote presentation at the ALPS International Symposium 'COP21 results and Long-term Reductions of Greenhouse Gas Emissions beyond COP21' organized by the Research Institute of Innovative Technology for the Earth (RITE) and meet with officials at Ministry of Economy, Trade and Industry (METI). RITE has a collaboration project with IIASA supported by Japanese government and has organized a symposium every year with participation of a few researchers from IIASA as well as other experts.	Research Institute of Innovative Technology for the Earth (RITE)	Yoichi Kaya - Senior Vice President, Research Institute of Innovative Technology for the Earth (RITE) Kenji Yamaji - Director General, Research Institute of Innovative Technology for the Earth (RITE) Keigo Akimoto, Research Institute of Innovative Technology for the Earth (RITE)	Tokyo
2017	Satoh	Yusuke	To present the Community Water Model To catch up latest research hot topics To develop/deepen profound scientific networking To participate in the ISI-MIP joint meeting held there	Oki-laboratory, University of Tokyo		Tokyo
2017	Satoh	Yusuke	To present the Community Water Model To catch up latest research hot topics To develop/deepen profound scientific networking			Chiba

2017	Satoh	Yusuke	To seek possibility of future collaboration work To present the Community Water Model To develop/deepen profound scientific networking	Research Institute for Humanity and Nature	Prof. Dr. Makoto Taniguchi	Kyoto
2017	Scherbov	Sergei	to give a presentation WP#7: Forecasting ageing based on new measures			Kobe
2017	Wada	Yoshihide	Strategic collaborations with Japanese NMOs, invited seminars, and organizing a session at an international scientific conference	RIHN, UNU, HESSS4, JpGU-AGU	Prof. Taikan Oki (UNU/U Tokyo), Prof. Makoto Taniguchi (RIHN), Director General, Prof. Tetsuzo Yasunari (RINH), Prof. Hyungjun Kim (U Tokyo/HESSS4)	Tokyo
2016	Amann	Markus	Project meeting and to present at the workshop organized by IGES	IGES	Dr. Hajime Akimoto, NIES, Prof. Jimin Hao Tsinghua University, Dr. Zusman	Hayama
2016	Berkman	Paul		Kobe University	Professor Akiho SHIBATA, Director, Polar Cooperation Research Centre Kobe University GSICS	Kobe
2016	Cantele	Matthew	The main aims of the second workshop are: -To strengthen co-operation between the authors of the scenario chapters of the regional assessments (Chapter 5), the Land Degradation and Restoration assessment (Chapter 7) and the global assessment (Chapters 4 and 5) and discuss how the different assessments can feed into each other (in terms of literature and content). -To share the current status and key findings of the first order drafts of the assessment chapters and discuss similarities and differences between those. -To continue the discussion on the possibility of using a consistent set of scenario archetypes for all scenario chapters, for the purpose of improved coherence across assessments. To decide on the set of archetypes? -To share experiences with reviewing and synthesizing available literature, as well as experiences with other issues raised at previous scenarios chapters meetings (1st workshop on scenarios and modelling for IPBES assessments, January 2016, the Netherlands and the similar chapter breakout meetings at the Joint Regional and LDR second author meeting, August 2016, Germany). For this workshop, coordinating lead authors (CLAs), lead authors	IGES Headquarters/IPBES	Wataru Suzuki /Mr. IPBES-TSU-AP	Kamiyamaguchi, Hayama, Kanagawa

2016	Fujimori	Shinichiro	Will meet with colleagues from NIES to discuss collaborative research as well as prepare for the upcoming CD-LINKS and IAMC meetings			Tsukuba
2016	Grubler	Arnulf	To give a keynote presentation at the ALPS International Symposium 'COP21 results and Long-term Reductions of Greenhouse Gas Emissions beyond COP21' organized by the Research Institute of Innovative Technology for the Earth (RITE) and meet with officials at Ministry of Economy, Trade and Industry (METI). RITE has a collaboration project with IIASA supported by Japanese government and has organized a symposium every year with participation of a few researchers from IIASA as well as other experts.	Research Institute of Innovative Technology for the Earth (RITE)	Yoichi Kaya - Senior Vice President, Research Institute of Innovative Technology for the Earth (RITE) Kenji Yamaji - Director General, Research Institute of Innovative Technology for the Earth (RITE) Keigo Akimoto, Research Institute of Innovative Technology for the Earth (RITE)	Tokyo
2016	Halinen	Hannu	Collaboration modalities			Kobe, Hyogo Prefecture
2016	Hasegawa	Tomoko	To attend the workshop as a member of one of the 10 modelling groups involved in preparing the next round of scenario results.		National Institute for Environmental Studies, Japan	Tsukuba
2016	Hasegawa	Tomoko				Tsukuba
2016	Hasegawa	Tomoko				Tsukuba
2016	Havlik	Petr	To attend the workshop as a member of one of the 10 modelling groups involved in preparing the next round of scenario results.	National Institute for Environmental Studies, Japan		Tsukuba
2016	Hochrainer-Stigler	Stefan	IIASA was selected as a member institute with GADRI and the first meeting should set up the stage for further collaboration.			Kyoto

2016	Klimont	Zbigniew	Project meeting and to present at the workshop organized by IGES	IGES	Dr. Hajime Akimoto, NIES, Prof. Jimin Hao Tsinghua University, Dr. Zusan	Hayama
2016	Kraxner	Florian	Series of meetings with Japanese collaborators in the field of tropical land-use planning and sustainable feedstock production related to GCP-Tsukuba office activities and Future Earth activities Follow-up of REDD-PAC dissemination activity in Global Landscape Forum in Paris, December 2015, regarding outreaching modelling activities in Indonesia will be discussed during the forum, particularly in relation to sustainability in the tropical land use and bioenergy sector.	NIES - GCP Tsukuba	Yamagata, Dr. Sharifi, others, Shibata, Fuji etc	Tsukuba
2016	Nakicenovic	Nebojsa	Prof. Dr. Nakicenovic is a member of the Steering Committee appointed by Prime Minister Abe.	Ministry of Economy, Trade and Industry (METI and New Energy and Industrial Technology Development Organization (NEDO)	Yoichi Kaya, President, Research Institute of Innovative Technology for the Earth, Japan	Tokyo
2016	Nakicenovic	Nebojsa	To give a keynote presentation at the ALPS International Symposium 'COP21 results and Long-term Reductions of Greenhouse Gas Emissions beyond COP21' organized by the Research Institute of Innovative Technology for the Earth (RITE) and meet with officials at Ministry of Economy, Trade and Industry (METI). RITE has a collaboration project with IIASA supported by Japanese government and has organized a symposium every year with participation of a few researchers from IIASA as well as other experts.	Research Institute of Innovative Technology for the Earth (RITE)	Yoichi Kaya - Senior Vice President, Research Institute of Innovative Technology for the Earth (RITE) Kenji Yamaji - Director General, Research Institute of Innovative Technology for the Earth (RITE) Keigo Akimoto, Research Institute of Innovative Technology for the Earth (RITE)	Tokyo
2016	Nakicenovic	Nebojsa	Will give a keynote presentation	Japan Atomic Industrial Forum (JAIF) Inc.	Takashi Imai, Chairman, Japan Atomic Industrial Forum (JAIF) Inc. Motoo Hayashi, Minister of Economy, Trade and Industry	Tokyo
2016	Poledna	Sebastian	Speaker	Disaster Prevention Research Institute, Kyoto University	Muneta Yokomatsu, Dr.Eng.	Awaji
2016	Satoh	Yusuke	Presentation of WFaS result			Chiba-city
2016	Valin	Hugo	Presenting results on SSP decomposition for intercomparison exercise and comparing results with the AgCLIM50 scenarios results	National Institute for Environmental Studies (NIES)	Shinishiro Fujimori	Tsukuba

**TRAVEL BY IIASA SCIENTISTS TO JAPAN
2010-2017**

2015	Amann	Markus	To discuss project progress and next steps	Toyota Motor Corporation	Mr. Daisuke AKIHISA, Energy Affairs Department	Nagoya
2015	Amann	Markus	To present at the workshops organized by IGES	IGES	Mr. Zusman	Tokyo
2015	Cao	Gui-Ying	Oral Presentation	The International Academic Forum	Dr Joseph Haldane, Executive Director,	Osaka
2015	Dieckmann	Ulf	To attend and give a keynote lecture at the 2015 Joint Meeting of JSMB and CJK Colloquium on Mathematical Biology: The 25th Annual Meeting of the Japanese Society for Mathematical Biology and the 5th China-Japan-Korea Colloquium on Mathematical Biology	Japanese Society for Mathematical Biology	Kei Tokita, Akira Sasaki	Kyoto
2015	Dieckmann	Ulf	To have discussions with Fugo Takasu and explore options for future collaboration.	Nara Women's University	Fugo Takasu	Nara
2015	Dieckmann	Ulf	To have discussions with Kei Tokita (Nagoya University & RIHN), Hiroyuki Matsuda (Yokohama National University), Shion Takemura (RIHN), Hiroshi Miki (RIHN), and Takeshi Oura (Osaka University) and explore options for future collaboration.	Research Institute for Humanity and Nature (RIHN)	Kei Tokita (Nagoya University & RIHN), Hiroyuki Matsuda (Yokohama National University), Shion Takemura (RIHN), Hiroshi Miki (RIHN), and Takeshi Oura (Osaka University)	Kyoto
2015	Ekenberg	Love	keynote speaker			
2015	Halinen	Hannu	Invitation by Professor Shibata	Kobe University, Japan	Prof. Akiho Shibata	Kobe
2015	Havlik	Petr	To participate and present in the workshops and further present and discuss the latest LED Pathways developments	NIES - GCP Tsukuba	Prof. Yamagata, Dr. Sharifi	Sapporo, Hokkaido
2015	Kabat	Pavel	To Participate in the STS Forum - Science and Technology in Society	Science and Technology in Society (STS) Forum	Koji Omi, Founder and Chairman, STS forum John Holdren, Assistant to the President for Science and Technology, Director of the White House Office of Science and Technology Policy,	Kyoto
2015	Klimont	Zbigniew	To discuss project progress and next steps	Toyota Motor Corporation	Mr. Daisuke AKIHISA, Energy Affairs Department	Nagoya
2015	Klimont	Zbigniew	To present at the workshops organized by IGES	IGES	Mr. Zusman	Tokyo

**TRAVEL BY IIASA SCIENTISTS TO JAPAN
2010-2017**

2015	Kraxner	Florian	To participate and present in the workshop and further develop the MaGNET activities including ESS examples from the recharge.green project	NIES - GCP Tsukuba	Prof. Yamagata, Dr. Sharifi	Toyota city, Aichi prefecture
2015	Kraxner	Florian	To prepare, co-organize (30 August-1 September), host, chair/moderate, participate and present in the workshops and further develop the MaGNET activities including the presentation and discussion of the latest TFI developments with respect to negative emissions (2-5 September)	NIES - GCP Tsukuba	Prof. Yamagata, Dr. Sharifi	Sapporo, Hokkaido
2015	Kraxner	Florian	Working with NIES and GCP-Tsukuba partners on joint proposals and finalizing joint publications (Ecosystems Services and their Management)	NIES - CGER	Prof. Yamagata	Tsukuba, Ibaraki
2015	Lee	Chin-Min	to Accompany the IIASA DG/CEO to the STS Forum - Science and Technology in Society	Science and Technology in Society (STS) Forum	Koji Omi, Founder and Chairman, STS forum John Holdren, Assistant to the President for Science and Technology, Director of the White House Office of Science and Technology Policy,	Kyoto
2015	Mechler	Reinhard	Keynote talk, presentation, leading panel session			Sendai
2015	Mochizuki	Junko	Present RPV's research on disaster risk management and discuss future collaboration in participants of GADRI network.	DPRI	Ana-Maria Cruz	Kyoto
2015	Mochizuki	Junko	co-organizing a working session on economics of DRR	UNISDR	Kazuko Ishigaki	sendai
2015	Nakicenovic	Nebojsa	As the co-Chair of the Scientific Steering Committee (SSC), Prof. Dr. Nakicenovic will participate in discussions as a chairperson and panelists in various thematic discussion groups	Global Carbon Project	Dr. Ayyoob Sharifi	Toyota City
2015	Nakicenovic	Nebojsa	Internal meetings with the Japanese IPCC focal point at Climate Change Division, Ministry of Foreign Affairs and other officials			Tokyo
2015	Nakicenovic	Nebojsa	Prof. Dr. Nakicenovic is a member of the Advisory Board	National Institute for Environmental Studies (NIES)	Akimasa Sumi, President, National Institute for Environmental Studies (NIES)	Tsukuba

2015	Nakicenovic	Nebojsa	To give a keynote presentation at the ALPS International Symposium 'Moving toward Sustainable Climate Change Actions' organized by the Research Institute of Innovative Technology for the Earth (RITE) and meet with officials at Ministry of Economy, Trade and Industry (METI). RITE has a collaboration project with IIASA supported by Japanese government and has organized a symposium every year with participation of a few researchers from IIASA as well as other experts.	Research Institute of Innovative Technology for the Earth (RITE)	Yoichi Kaya - Senior Vice President, Research Institute of Innovative Technology for the Earth (RITE) Kenji Yamaji - Director General, Research Institute of Innovative Technology for the Earth (RITE) Keigo Akimoto, Research Institute of Innovative Technology for the Earth (RITE)	Tokyo
2015	Nakicenovic	Nebojsa	Will give a presentation	Global Carbon Project	Dr. Ayyoob Sharifi	Toyota City
2015	Obersteiner	Michael	In this international seminar, invited experts on socio-economic benefits of science and policy and satellite earth observation from the Society and space agencies, international organizations and industry of the world, it is an objective for the effect of satellite observation for environmental policy and social economy It will discuss the possibility of performing the evaluation. In addition, we aim that the result is fed back to a new innovation of the next generation of observation technology, and make recommendations about the future mission or model such as to contribute to global demand.	Institute for Global Environmental Strategies (IGES)	Hironori Hamanaka	Tokyo
2015	Obersteiner	Michael	Invited to speak on the topic of 'Relationship between Energy Systems and Ecosystems'	Ministry of Economy, Trade and Industry (METI) and New Energy and Industrial Technology Development Organization (NEDO)	Yumiko Watanabe	Tokyo
2015	Reissell	Anni	IIASA is a partner of ICARPIII, initiated by the AFI Advisory Board (AB). I am attending the ASSW, ICARPII, organising the AFI town hall meeting and an Advisory Board meeting. In addition to organizing two side meetings, I am participating to network and			Toyama
2015	Satoh	Yusuke	Oral presentation	Committee on Hydrosience and Hydraulic Engineering		Tokyo

2015	See	Linda	<p>Purpose: to present an overview of the WUDAPT project and discuss how WUDAPT (and IIASA) can contribute to the new proposed Urban Resilience Network under the umbrella of Future Earth.</p> <p>Justification: WUDAPT is heavily driven by crowdsourcing and expertsourcing of data, which has the potential to make a significant contribution to the new proposed urban resilience network. For CrowdLand this would mean the potential to examine questions of motivation in participating in urban data collection across a much broader geographic scale than Austria and Kenya, which will involve different user groups, i.e. experts, students and the broader citizen base.</p>	The University of Tokyo with NIES	Professor Yoshiki Yamagata	Tokyo
2014	Amann	Markus	Presenter at the workshops	Institute for Global Environmental Strategies (IGES)	Eric Zusman	Yokohama
2014	Amann	Markus	To discuss project progress and next steps	Toyota	Kazunori KOJIMA, Energy Affairs Department	Nagoya
2014	Amann	Markus				Tokyo
2014	Dieckmann	Ulf	To advance collaborative work on evolving community structure, adaptive dynamics theory, governance design, and the evolution of cooperation (respectively; see persons to be visited below).	The Graduate University for Advanced Studies (SOKENDAI), Department of Evolutionary Studies of Biosystems	Akira Sasaki, Hiroshi Ito, Mitsuhiro Nakamura, Chiho Kaito	Hayama
2014	Forsell	Nicklas	To participate on behalf of Michael Obersteiner.	Foreign Press Center/Japan conference Room 6F Nippon Press Center Building 2-2-1, Uchisaiwaicho, Chiyoda-ku, Tokyo, 100-		Tokyo
2014	Goujon	Anne	to attend and present			Yokohama
2014	Ilmola-Sheppard	Leena	<p>1) Giving a seminar on Jan 21</p> <p>2) Chairing the session on 'Urban resilience' at the above conference</p>	<p>1) Tokyo Institute of Technology</p> <p>2) B-Con Plaza, Beppu</p>	1) Chihiro Watanabe	Beppu
2014	Ilmola-Sheppard	Leena	Eurasian project, data collection for the trade report	Fujitsu Research Institute, National Institute of Environmental Studies (NIES), Toyota Institute of International Economy, Tokyo Institute of Technology	<p>16 June: Giving a presentation at the World Economic Seminar - Fujitsu Research Institute</p> <p>16 June: Dinner with FoXc-J (Forum of X-Center Japan) members: Prof. Chihiro Watanabe - Tokyo-tech; Dr. Masahiro Ibaragi -</p>	Tokyo
2014	Ilmola-Sheppard	Leena	Participating in 3 meetings - see above titles	The Moon Beach Hotel and Conference Center		Okinawa

**TRAVEL BY IIASA SCIENTISTS TO JAPAN
2010-2017**

2014	Kabat	Pavel	To Participate in the STS Forum - Science and Technology in Society	Science and Technology in Society (STS) Forum	Koji Omi, Founder and Chairman, STS forum Shinzo Abe, Prime Minister, Government of Japan Laurent Fabius, Minister of Foreign Affairs and International Development, Ministry of Foreign Affairs and International	Kyoto
2014	Kabat	Pavel	To meet with the Japanese NMO and other colleagues in Tokyo to discuss ongoing and future collaboration with IIASA		Professor Chen, Tsinghua University Professor Liu, NSFC Dr. Takeuchi, Senior Vice-Rector, UNU Professor Kaya and Professor Yamaji, RITE	Tokyo
2014	Kabat	Pavel	To participate in the Innovation for Cool Earth Forum (ICEF)	Ministry of Economy, Trade and Industry (METI and New Energy and Industrial Technology Development Organization (NEDO)	Shinzo Abe, Prime Minister of Japan Yoichi Kaya, President, Research Institute of Innovative Technology for the Earth, Japan Richard K. Lester, Professor, Massachusetts Institute of	Tokyo
2014	Klimont	Zbigniew	To discuss project progress and next steps	Toyota	Kazunori KOJIMA, Energy Affairs Department	Nagoya
2014	Klimont	Zbigniew	To present at the workshop	Institute for Global Environmental Strategies (IGES)	Eric Zusman	Yokohama
2014	Lee	Chin-Min	To accompany the DG and CEO on his meetings with the Japanese NMO and other colleagues in Tokyo to discuss ongoing and future collaboration with IIASA		Professor Chen, Tsinghua University Professor Liu, NSFC Dr. Takeuchi, Senior Vice-Rector, UNU Professor Kaya and Professor Yamaji, RITE Shinzo Abe, Prime Minister of Japan	Tokyo
2014	Nakicenovic	Nebojsa	Prof. Dr. Nakicenovic is a member of the Steering Committee appointed by Prime Minister Abe. He will participate as the moderator of Plenary Session 2 on Strategies for Promoting Innovation.	Ministry of Economy, Trade and Industry (METI and New Energy and Industrial Technology Development Organization (NEDO)	Yoichi Kaya, President, Research Institute of Innovative Technology for the Earth, Japan Richard K. Lester, Professor, Massachusetts Institute of Technology Daniel Poneman, Deputy Secretary, Department of Energy, USA	Tokyo
2014	Nakicenovic	Nebojsa	To give a keynote presentation at the ALPS International Symposium 2014 'Moving toward Sustainable Climate Change Actions' organized by the Research Institute of Innovative Technology for the Earth (RITE) and meet with officials at Ministry of Economy, Trade and Industry (METI). RITE has a collaboration project with IIASA supported by Japanese government and has organized a symposium every year with participation of a few researchers from IIASA as well as other experts.	Research Institute of Innovative Technology for the Earth (RITE)	Yoichi Kaya - Senior Vice President, Research Institute of Innovative Technology for the Earth (RITE) Kenji Yamaji - Director General, Research Institute of Innovative Technology for the Earth (RITE) Keigo Akimoto, Research Institute of Innovative Technology for the Earth (RITE)	Tokyo
2014	Nakicenovic	Nebojsa	Will give a presentation in the Session on Challenges and Solutions for New and Renewable Energies	Science and Technology in Society (STS) Forum	Koji Omi, Founder and Chairman, STS forum Shinzo Abe, Prime Minister, Government of Japan Laurent Fabius, Minister of Foreign Affairs and International Development, Ministry of Foreign Affairs and International	Kyoto
2014	Nakicenovic	Nebojsa	Working meetings with numerous Japanese Research Institutes and Companies			Tokyo
2014	Riahi	Keywan	Will give presentation and participate in discussions.	Japanese Ministry of Economy, Trade and Industry (METI)	Dr. Keigo Akimoto	Tokyo

2013	Amann	Markus	Meeting with Toyota representatives	Toyota		Tokyo
2013	Amann	Markus	To participate in the workshop on "Translating co-benefits Research into Action in Asia: Science, Models, Projects and Policies"	IGES		Kanagawa
2013	Forsell	Nicklas	FORMATH conference in Japan	Iwaki Meisei University	Professor Ashi Yoshimoto	Fukushima
2013	Forsell	Nicklas	Mathematical Modeling for Issues on Ecosystem Services - Theory & Applications	The Institute of Statistical Mathematics	Professor Ashi Yoshimoto	Tokyo
2013	Forsell	Nicklas	Participating in the IAMC conference and following EMF 30 Kickoff Meeting	National Institute for Environmental Studies (NIES)		Tsukuba
2013	Grubler	Arnulf	To give a keynote presentation at the ALPS International Symposium 2013 "Moving toward Sustainable Climate Change Actions" organized by the Research Institute of Innovative Technology for the Earth (RITE) and meet with officials at Ministry of Economy, Trade and Industry (METI) RITE has a collaboration project with IIASA supported by Japanese government and has organized a symposium every year with participation of a few researchers from IIASA as well as other experts	Research Institute of Innovative Technology for the Earth (RITE) and Ministry of Economy, Trade and Industry (METI)	Yoichi Kaya - Senior Vice President, Research Institute of Innovative Technology for the Earth (RITE) Kenji Yamaji - Director General, Research Institute of Innovative Technology for the Earth (RITE) Kazuhiko Takemoto, Ministry of the Environment	Tokyo
2013	Grubler	Arnulf	Will participate in a workshop in regards to the dissemination of the Global Energy Assessment Report The Global Energy Assessment (GEA), the first fully integrated assessment of the global energy system, will be presented to policy makers, business leaders and energy analysts in a symposium. In addition to an overview of the report, the event will include presentations and panel discussions on two themes: application of GEA findings to upcoming decisions on UK energy policy, and the relevance of the analyses for decision makers considering policies and investments related to global energy access	Research Institute of Innovative Technology for the Earth (RITE)	Professor Dr. Kenji Yamaji, Director-General, Research Institute of Innovative Technology for the Earth (RITE)	Tokyo

2013	Ilmola-Sheppard	Leena	<p>1) Monday Feb 25 - Planning meeting with NIES</p> <p>2) Tuesday Feb 26 Presentation and panel discussion at International Seminar for Resilience</p> <p>3) Wednesday Feb 27 - Participating in NIES workshop for Urban Resilience</p> <p>4) Thursday Feb 28 - Attending another seminar but details not yet available</p>	<p>1) Keio University, Tokyo University of Technology</p> <p>2) Institute of Statistical Mathematics (ISM)</p>	Professor Yoshi Yamagata and Prof. Chihiro Watanabe	Tokyo
2013	Johnson	Nils	<p>Will be attending the IAMC (Integrated Assessment Modeling Consortium) Annual Meeting</p> <p>The main meeting will be conducted over two full days, and there will be an additional half-day on the 30th devoted to working meetings of several working groups</p> <p>The purpose of the IAMC Annual Meeting is to (1) present and discuss the state of the art in integrated assessment modeling, (2) review the status of ongoing community activities including both multi-model studies and the activities of the IAMC Scientific Working Groups, (3) facilitate interaction with collaborating communities, and (4) evaluate and revisit the priorities of the integrated assessment community</p>	National Institute of Environmental Studies	Mikiko Kainuma: National Institute for Environmental Studies (NIES) [Japan]	Tsukuba
2013	Klimont	Zbigniew	Annual meeting of the Toyoto Ozone project	Toyota		Tokyo
2013	Klimont	Zbigniew	To participate in the EMF 30 Kickoff meeting	Energy Modeling Forum (EMF)		Tsukuba
2013	Klimont	Zbigniew	To participate in the workshop on "Translating co-benefits Research into Action in Asia: Science, Models, Projects and Policies"	Institute for Global Environmental Strategies (IGES)		Kanagawa

2013	Kraxner	Florian	<p>Collaboration with research partner NIES to present and work on i.e. REDD-Pac, participation in NIES-CGER workshop on landuse modeling - Optimal utilization strategy of integrated land-water-ecosystems for climate risk management (18 March); Meeting with IGES (21 March) ISM Meeting with presentation in Tokyo (26 March) Japan Society of Forest Planning, Institute of Statistical Mathematics JSFP International Symposium MORIOKA 2013, Global forest products marketing and forest certification in a green economy (28 March) Meeting with FFPRI in Tsukuba - Bioenergy optimization modeling</p>	<p>NIES Tsukuba FFPRI Tsukuba Iwate University, Morioka IGES, Tokyo ISM, Tokyo</p>	<p>Professor Yamagata, Dr. Yokohata, Professor Mori, Professor Vlosky, Professor Owari, Professor Kuboyama, et al.</p>	Tsukuba, Ibaraki
2013	Kraxner	Florian	Organizer	National Institute for Environmental Studies	Professor Yamagata	Tokyo
2013	Kraxner	Florian	<p>Participate in a series of workshops and meetings on SSP work at IIASA, REDD+, Biomass and Bioenergy, BECCS and general ESM research: Meeting w/NIES on NE workshop and JSPS Project proposal ICARUS project seminar (commentator) ISM lecture 30min on ESM and discussion on JSPS Visit Yamanashi Environmental Research Institute Ashi-san at ISM Prof. Lee from University Korea at Hokkaido Univ. Hokkaido Univ. Lecture 90min on Biomass, REDD+, ESM, SSPs GCP Korea Hokkaido Univ. GLP office Tokyo Univ. Furano, discussion on JSPS Tokyo Univ. Furano, discussion on JSPS JICA Lecture 90min Biomass, REDD+, ESM, SSPs Workshop Tsurui Village, 30min Biomass, ESM morning (researchers) and afternoon (to stake holders) Workshop with TITEC 30min on BECCS (TITEC 60min 5 people and then discussion 30min), Meeting Room 1, CGER</p>	<p>NIES, TITEC, JICA, Hokkaido, Tokyo University, Yamanashi Environmental Institute</p>		Tsukuba Ibaraki
2013	Kraxner	Florian	Participation in ICARUS WS	National Institute of Environmental Studies (NIES)	Professor Yamagata	Tokyo

**TRAVEL BY IIASA SCIENTISTS TO JAPAN
2010-2017**

2013	Krey	Volker	<p>Will be attending the IAMC (Integrated Assessment Modeling Consortium) Annual Meeting</p> <p>The main meeting will be conducted over two full days, and there will be an additional half-day on the 30th devoted to working meetings of several working groups</p> <p>The purpose of the IAMC Annual Meeting is to (1) present and discuss the state of the art in integrated assessment modeling, (2) review the status of ongoing community activities including both multi-model studies and the activities of the IAMC Scientific Working Groups, (3) facilitate interaction with collaborating communities, and (4) evaluate and revisit the priorities of the integrated assessment community</p>	National Institute of Environmental Studies (NIES)	Mikiko Kainuma: National Institute for Environmental Studies (NIES) [Japan]	Tsukuba
2013	Krey	Volker	Will participate and give a presentation	ICA-RUS, the strategic R&D area project of the Environment Research and Technology Development Fund by the Ministry of the Environment, S-10 'Integrated Research on the Development of Global Climate Risk Management Strategies' (Project Leader: Seita EMORI) CCRP-PJ2, Climate Change Research Program by National Institute for Environmental Studies, Project 2 'Climate Change and Global Risk Assessment' (Project Leader: Seita EMORI)	Professor Shunsuke MORI, Department of Industrial Administration, Faculty of Science and Technology, Tokyo University of Science	Tokyo
2013	Krey	Volker	Will participate and may give a presentation	Jointly organized by the Global Carbon Project, the International Institute for Applied Systems Analysis, the Mercator Research Institute on Global Commons and Climate Change and the National Institute for Environmental Studies	Organizing Committee: Pep Canadell (GCP, CSIRO), Ayyoob Sharifi (GCP), Nebosja Nakicenovic (IIASA, GCP), Florian Kraxner (IIASA), Sabine Fuss (MCC, IIASA), Yoshiki Yamagata (NIES)	Tokyo
2013	Kryazhimskiy	Arkady	To discuss research results of post-graduate students and the possibility of further collaboration	Keio University	Prof. Hiraoki Matsukawa	Tokyo

2013	McCollum	David	<p>Will be attending the IAMC (Integrated Assessment Modeling Consortium) Annual Meeting</p> <p>The main meeting will be conducted over two full days, and there will be an additional half-day on the 30th devoted to working meetings of several working groups.</p> <p>The purpose of the IAMC Annual Meeting is to (1) present and discuss the state of the art in integrated assessment modeling, (2) review the status of ongoing community activities including both multi-model studies and the activities of the IAMC Scientific Working Groups, (3) facilitate interaction with collaborating communities, and (4) evaluate and revisit the priorities of the integrated assessment community.</p>	National Institute of Environmental Studies (NIES)	Mikiko Kainuma: National Institute for Environmental Studies (NIES) [Japan]	Tsukuba
2013	Mechler	Reinhard	Writing meeting report on disaster risk management in Asia	Asian Development Bank Institute (ADBI)		Tokyo
2013	Nakicenovic	Nebojsa	<p>To give a keynote presentation at the ALPS International Symposium 2013 "Moving toward Sustainable Climate Change Actions" organized by the Research Institute of Innovative Technology for the Earth (RITE) and meet with officials at Ministry of Economy, Trade and Industry (METI)</p> <p>RITE has a collaboration project with IIASA supported by Japanese government and has organized a symposium every year with participation of a few researchers from IIASA as well as other experts</p>	Research Institute of Innovative Technology for the Earth (RITE) and Ministry of Economy, Trade and Industry (METI)	<p>Yoichi Kaya - Senior Vice President, Research Institute of Innovative Technology for the Earth (RITE)</p> <p>Kenji Yamaji - Director General, Research Institute of Innovative Technology for the Earth (RITE)</p> <p>Kazuhiko Takemoto, Ministry of the Environment</p>	Tokyo
2013	Nakicenovic	Nebojsa	Will participate as coordinator and give a presentation	Jointly organized by the Global Carbon Project, the International Institute for Applied Systems Analysis, the Mercator Research Institute on Global Commons and Climate Change and the National Institute for Environmental Studies	Organizing Committee: Pep Canadell (GCP, CSIRO), Ayyoob Sharifi (GCP), Nebojsa Nakicenovic (IIASA, GCP), Florian Kraxner (IIASA), Sabine Fuss (MCC, IIASA), Yoshiki Yamagata (NIES)	Tokyo

2013	Nakicenovic	Nebojsa	<p>Will participate in a workshop in regards to the dissemination of the Global Energy Assessment Report</p> <p>The Global Energy Assessment (GEA), the first fully integrated assessment of the global energy system, will be presented to policy makers, business leaders and energy analysts in a symposium. In addition to an overview of the report, the event will include presentations and panel discussions on two themes: application of GEA findings to upcoming decisions on UK energy policy, and the relevance of the analyses for decision makers considering policies and investments related to global energy access</p>	Research Institute of Innovative Technology for the Earth (RITE)	Professor Dr. Kenji YAMAJI, Director General, Research Institute of Innovative Technology for the Earth (RITE)	Tokyo
2013	Obersteiner	Michael	Co-organizing WS	National Institute of Environmental Studies (NIES)	Yamagata	Tokyo
2013	Obersteiner	Michael	To participate and give a presentation at the ICARUS WS			Tokyo
2013	Riahi	Keywan	<p>To give a keynote presentation at the ALPS International Symposium 2013 "Moving toward Sustainable Climate Change Actions" organized by the Research Institute of Innovative Technology for the Earth (RITE) and meet with officials at Ministry of Economy, Trade and Industry (METI)</p> <p>RITE has a collaboration project with IIASA supported by Japanese government and has organized a symposium every year with participation of a few researchers from IIASA as well as other experts</p>	Research Institute of Innovative Technology for the Earth (RITE) and Ministry of Economy, Trade and Industry (METI)	<p>Yoichi Kaya - Senior Vice President, Research Institute of Innovative Technology for the Earth (RITE)</p> <p>Kenji Yamaji - Director General, Research Institute of Innovative Technology for the Earth (RITE)</p> <p>Kazuhiko Takemoto, Ministry of the Environment</p>	Tokyo
2013	Riahi	Keywan	<p>Will participate in a workshop in regards to the dissemination of the Global Energy Assessment Report</p> <p>The Global Energy Assessment (GEA), the first fully integrated assessment of the global energy system, will be presented to policy makers, business leaders and energy analysts in a symposium. In addition to an overview of the report, the event will include presentations and panel discussions on two themes: application of GEA findings to upcoming decisions on UK energy policy, and the relevance of the analyses for decision makers considering policies and investments related to global energy access</p>	Research Institute of Innovative Technology for the Earth (RITE)	Professor Dr. Kenji YAMAJI, Director General, Research Institute of Innovative Technology for the Earth (RITE)	Tokyo
2013	Rogelj	Joeri	Will be attending and giving a presentation at the IAMC (Integrated Assessment Modeling Consortium) Annual Meeting	National Institute of Environmental Studies (NIES)	Mikiko Kainuma: National Institute for Environmental Studies (NIES) [Japan]	Tsukuba

**TRAVEL BY IIASA SCIENTISTS TO JAPAN
2010-2017**

2013	Rogelj	Joeri	Will be giving a presentation entitled 2020 emission windows required to limit warming to below 2 degrees C	National Institute of Environmental Studies (NIES)	Mikiko Kainuma: National Institute for Environmental Studies (NIES) [Japan]	Tsukuba
2013	Rogelj	Joeri	Will give a presentation	National Institute of Environmental Studies (NIES)	Mikiko Kainuma: National Institute for Environmental Studies (NIES) [Japan]	Tsukuba
2013	Rogelj	Joeri	Will give a presentation at the meeting			Tsukuba
2013	Scherbov	Serguei	To work with Professor Yasuhiko Saito on Ageing Indicators	Nihon University	Professor Yasuhiko Saito	Tokyo
2012	Amann	Markus	1. Key speaker at the International Co-benefit Workshop organized by IGES 2. Meeting with IGES officials to explore further possible research collaboration with IGES	Institute for Global Environmental Strategies (IGES)	Mr. Takashi Otsuka, Deputy Director	Hayama
2012	Böttcher	Hannes	2013 Supplementary Methods and Good Practice Guidance Arising from the Kyoto Protocol First CLA Meeting (CLA1), Expert Meeting and First Lead Author Meeting (LA1)	ANA Crowne Plaza Hotel		Kobe
2012	Dieckmann	Ulf	To continue collaborative work on spatial statistics and evolving community structure	The Graduate University for Advanced Studies (SOKENDAI), Department of Evolutionary Studies of Biosystems	Akira Sasaki, Chiho Kaito, Fugo Takasu, Hiroshi Ito, Yuu Katsukawa, Shuichi Matsumura	Hayama
2012	Dieckmann	Ulf	To continue collaborative work on spatial statistics and evolving community structure	The Graduate University for Advanced Studies (SOKENDAI), Department of Evolutionary Studies of Biosystems	Akira Sasaki, Fugo Takasu	Hayama
2012	Grubler	Arnulf	To give a keynote presentation at the ALPS International Symposium 2012 "Addressing Climate Change Harmonized with Sustainable Development" organized by the Research Institute of Innovative Technology for the Earth (RITE) and meet with officials at Ministry of Economy, Trade and Industry (METI) RITE has a collaboration project with IIASA supported by Japanese government and has organized a symposium every year with participation of a few researchers from IIASA as well as other experts	Research Institute of Innovative Technology for the Earth (RITE) and Ministry of Economy, Trade and Industry (METI)	Yoichi Kaya - Senior Vice President, Research Institute of Innovative Technology for the Earth (RITE) Kenji Yamaji - Director General, Research Institute of Innovative Technology for the Earth (RITE) Kazuhiko Takemoto, Ministry of the Environment	Tokyo

2012	Ilmola-Sheppard	Leena	Participating in various meetings organized by Prof. Chihiro Watanabe	1) Japan Science & Technology Organization (JST) 2) Keio University 3) Tokyo Institute of Technology 4) Japan Techno-Economics Society (JATES) 5) National Institute for Environmental Studies (NIES) 5a) NIES (Global Environmental Research Group)	2) Professor Matsukawa	Tokyo
2012	Kaito	Chiho	To continue collaborative research on spatial ecology and cooperation evolution	The Graduate University for Advanced Studies (SOKENDAI), Department of Evolutionary Studies of Biosystems	Akira Sasaki, Fugo Takasu, Ulf Dieckmann	Hayama
2012	Klimont	Zbigniew	1. To participate at the International Co-benefit Workshop organized by IGES 2. Meeting with IGES officials to explore further possible research collaboration with IGES	Institute for Global Environmental Strategies (IGES)	Mr. Takashi Otsuka, Deputy Director	Hayama
2012	Klimont	Zbigniew	Speaker at the - Third International Workshop on Emission Inventory in Asia", to be held in Yokohama, Japan	NIES and JAMSTEC (Japan Agency for Marine-Earth Science and Technology)		Yokohama
2012	Kraxner	Florian	Visit Japanese Collaborators at NIES and participate in the Ecosystems Services Conference in Okinawa (http://www.jaist.ac.jp/~yhayashi/11th_webology/index.html)		Professor Yoshiki Yamagata (NIES) Professor Evan Economo (OIST) Dr. Shobakar Dakal (GCP)	Tsukuba
2012	Linnerooth-Bayer	Joanne	Joanne Bayer will give a presentation at the UNFCCC expert meeting on assessing the risk of loss and damage associated with the adverse effects of climate change		Koko Warner, Michael Zissner, Miwa Kato and others	Tokyo
2012	Mechler	Reinhard	Inception meeting on research collaboration on disaster risk management in the Asian region			Tokyo

2012	Nagai	Yu	Will participate in meetings at both CRIEPI and IEEJ Discussion on newly introduced renewable energy policy of feed-in tariff and formation of grid stability law in progress. Implications of the laws on Japanese energy system, especially after the earthquake and tsunami, will be reviewed	The Central Research Institute of Electric Power Industry (CRIEPI) Otemachi Bldg., 1-6-1 Otemachi, Chiyoda-ku, Tokyo 100-8126 +81-3-3201-6601 And The Institute of Energy Economics, Japan (IEEJ) Inui Bldg. Kachidoki, 10th, 11th Floor 13-1, Kac		Tokyo
2012	Nakicenovic	Nebojsa	To give a keynote presentation at the ALPS International Symposium 2012 "Addressing Climate Change Harmonized with Sustainable Development" organized by the Research Institute of Innovative Technology for the Earth (RITE) and meet with officials at Ministry of Economy, Trade and Industry (METI) RITE has a collaboration project with IIASA supported by Japanese government and has organized a symposium every year with participation of a few researchers from IIASA as well as other experts	Research Institute of Innovative Technology for the Earth (RITE) and Ministry of Economy, Trade and Industry (METI)	Yoichi Kaya - Senior Vice President, Research Institute of Innovative Technology for the Earth (RITE) Kenji Yamaji - Director General, Research Institute of Innovative Technology for the Earth (RITE) Kazuhiko Takemoto, Ministry of the Environment	Tokyo
2012	Sasaki	Tatsuya	Give a lecture at Soka University	Soka University		Tokyo
2012	Wagner	Fabian	NOTE: Fabian will attend the IPCC meeting in Kobe, Japan from 24 to 29 Sep. He will work from Japan from 29 Sep. to 03 Oct. and continue on 3 Oct. to Seoul to meet with GIR			Kobe
2012	Wagner	Fabian	To participate in the First Lead Author Meeting of the IPCC-NGGIP	IPCC		Kobe
2011	Amann	Markus	To participate in the IIASA-RITE International Symposium 'The frontiers of scenarios for climate change research and assessment'	RITE		Tokyo
2011	Khabarov	Nikolay	Participation in the 4th Regional Consultation Meeting on Economics of Climate Change and Low Carbon Growth Strategies in Northeast Asia	Ministry of Economy, Trade and Industry of Japan		Tokyo

2011	Klimont	Zbigniew	To participate in the 'Second International Workshop on Emission Inventory in Asia' and deliver a presentation on research studies being conducted by MAG with the perspective of atmospheric emissions in Asia			Tokyo
2011	Kraxner	Florian	Collaboration with Research Partners at NIES on various ESM research topics and studies, working on joint papers and participating in the International Forum for Ecosystem Adaptability Science III, Adaptability of Human Societies to Perturbation, November 16-18 2011 in Sendai, Japan	National Institute for Environmental Studies (NIES), Center for Global Environmental Research	Professor Yoshiki Yamagata, Prof. Kimura	Tsukuba Ibaraki
2011	Makowski	Marek	To participate in two conferences organized by JAIST with our cooperation : (1) the IFIP WG 7.6 workshop on Modeling and Decision Support, and (2) the International Intensive School on Mathematical Decision Analysis; additionally, to visit JAIST, Kyoto and Konan Universities to discuss the on-going and forthcoming collaboration	JAIST, Kyoto and Konan Universities	Many: including Professors: Y. Nakamori, M. Ryoke, T. Sawaragi, N. Okada, H. Tamura	Ishikawa
2011	Mechler	Reinhard	IPCC Lead Authors meeting WG II, chapter 17: Economics of Adaptation			Tsukuba
2011	Nakicenovic	Nebojsa	To give a keynote at the ALPS International Symposium on "The frontiers of scenarios for climate change research and assessment" organized by the Research Institute of Innovative Technology for the Earth (RITE) and meet with officials at Ministry of Economy, Trade and Industry (METI) RITE has a collaboration project with IIASA supported by Japanese government and has organized a symposium every year with participation of a few researchers from IIASA as well as other experts	Research Institute of Innovative Technology for the Earth (RITE) and Ministry of Economy, Trade and Industry (METI)	Yoichi Kaya - Senior Vice President, Research Institute of Innovative Technology for the Earth (RITE) Kenji Yamaji - Director General, Research Institute of Innovative Technology for the Earth (RITE) Kazuhiko Takemoto, Ministry of the Environment	Tokyo
2011	Reisinger	Andy	Participating in the First Lead Authors meeting of Working Group II of the IPCC for preparation of the 5th Assessment Report Dr. Reisinger is a coordinating lead author for chapter 25 of this assessment	Tsukuba Conference Centre		Tsukuba
2011	Scherbov	Serguei	Work on population and disability projections for Japan based on surveys of elderly people in Japan	Nihon University	Professor Saito	Tokyo

2010	Aoki	Kentaro	Participate in a workshop on regional development and project implementation in the international framework for CC-TAME and Collaboration with CC-TAME Associated Partner NIES, Dr. Yoshiki Yamagata	National Institute for Environmental Studies (NIES), The Foundation for Advanced Studies on International Development		Ibaraki
2010	Aoki	Kentaro	Visit and work with CC-TAME Partner NIES (visit test sites) and participate in COP 10 of UN CBD in Nagoya	National Institute for Environmental Studies (NIES), Center for Global Environmental Research National Institute for Environmental Studies	Professor Yamagata et al	Tsukuba
2010	Casti	John	To present the Xevents activity to possible collaborators. Also going to Zurich on 23 April to give a talk at the TWEAK Fest (Digital Culture & Lifestyle Festival in the Alte Boerse, Zurich)	National Institute for Environmental Science (NIES); CRIEPI; Inst. of Applied Energy (IAE); Japan Science and Technology Agency (JST)/National Inst. for Science & Technology Policy; Int. Committee, Japan Society for Science Policy and Research Managemen		Tokyo
2010	Dieckmann	Ulf	To continue collaborative work on adaptive dynamic theory		Hiroshi Ito	Tochigi
2010	Dieckmann	Ulf	To continue collaborative work on adaptive dynamics theory and ecological community structure	The Graduate University for Advanced Studies (SOKENDAI), Department of Evolutionary Studies of Biosystems	Akira Sasaki	Hayama
2010	Dieckmann	Ulf	To continue collaborative work on adaptive dynamics theory and ecological community structure	The Graduate University for Advanced Studies (SOKENDAI), Department of Evolutionary Studies of Biosystems	Akira Sasaki, Hiroshi Ito, and Yuu Katsukawa	Hayama
2010	Dieckmann	Ulf	To continue collaborative work on biodiversity formation	Sokendai (The Graduate University for Advanced Studies)	Akira Sasaki	Hayama
2010	Dieckmann	Ulf	To continue collaborative work on fisheries-induced evolution and spatial fish-angler interactions		Shuichi Matsumura	Tone-gun
2010	Ito	Hiroshi	To continue collaborative work on adaptive dynamic theory		Ulf Dieckmann	Nikko-shi
2010	Kaito	Chiho	Joint work on two collaborative manuscripts: 1) Moment-based statistical detection of banded spatial ecological patterns and 2) Conditions for the formation on cyclic spatial ecological patterns	Nara Women's University	Professor Fugo Takasu	Nara

**TRAVEL BY IIASA SCIENTISTS TO JAPAN
2010-2017**

2010	Kraxner	Florian	Participation in the COP 10 UN-CBD, Nagoya, and collaboration work on CC-TAME with NIES in Tsukuba (focus on bioenergy and biomass)	National Institute for Environmental Studies (NIES), Center for Global Environmental Research	Professor Yoshiki Yamagata and other contact persons at NIES	Tsukuba
2010	Kraxner	Florian	Participation in the IUFRO Pre-Conference on forest Products Marketing and Business management (IUFRO 5.10.00)	IUFRO Working Group on Task 5.10.00, University Tokyo, University Hokkaido	Eric Hansen, Robert Kozak, Richard P. Vlosky, Toshiaki Owari,	Hokkaido
2010	Kraxner	Florian	Participation in the Renewable Energy Conference 2010 in Yokohama and collaboration work on CC-TAME with NIES in Tsukuba (focus on bioenergy and biomass)	National Institute for Environmental Studies (NIES), Center for Global Environmental Research	Professor Yoshiki Yamagata and other contact persons at NIES	Tsukuba
2010	Matsumura	Shuichi	To continue collaborative work on fisheries-induced evolution and spatial fish-angler interactions		Ulf Dieckmann	Tone-gun
2010	Nakicenovic	Nebojsa	Will give a presentation at Research Institute of Innovative Technology for the Earth (RITE) and meet with officials at Ministry of Economy, Trade and Industry (METI) RITE has a collaboration project with IIASA supported by Japanese government and has organized a symposium every year with participation of a few researchers from IIASA as well as other experts	Research Institute of Innovative Technology for the Earth (RITE) and Ministry of Economy, Trade and Industry (METI)	Yoichi Kaya, Kenji Yamaji, Keigo Akimoto - RITE	Tokyo
2010	Scherbov	Serguei	Working with Professor Saito on projections of population with disability in Japan	Nihon University	Professor Saito	Tokyo
2010	Schulz	Niels	Presenting a paper at the ISIE Asia-Pacific Meeting	National Museum of Emerging Science and Innovation		Tokyo
2010	Wagner	Fabian	To participate in the 50th Memorial International Symposium of JSAE in Tokyo and visit to NIES in Osaka	J.F. Oberlin University, College of Liberal Arts, Tokyo; NIES, Osaka		Tokyo
2010	von Winterfeldt	Detlof	Discuss Japan's membership in IIASA		Minister of Environment and Dr. Kazu Takemoto	Tokyo
2010	von Winterfeldt	Detlof	Participate in IIASA-RITE Symposium "Stop Global Warming, Toward Sustainable Society"	Research Institute of Innovative Technology for the Earth (RITE)	Keigo Akimoto and Hiromi Nasuno, NMO	Tokyo
