

Rest In Peace
DANNY! SMIR

Dear Danny,

We all will miss you in this world!!

April 2015

Thank you for being a great
colleague and a good friend.
You're gone ahead, we shall meet
again.
E 5/6/15

Great colleague. Proud husband, father,
grandfather. Dear friend.

Warm hearted, sometimes hot headed,
often misunderstood.

You left too soon, Danny.

Rest in peace!

Martina

Danny,
You will never
be forgotten!
With sincere sympathy,
Melanie Wenighofer

Danny

Thank you for being
such a terrific colleague,
always fixing hardware
and software bugs in
good spirit and humor.

Thank you also for
reading the papers I've
written. You were one of the
few at IIASA that actually
read and critically too.

In loving memory to
a fine and respected
colleague.

Arnulf (Gribler)

Danny,
Ruhe in Frieden!
Dein Freund
Hans

Peaceful journey...
Arlen

Farewell, my friend.

Danny

You will remain in my memories
every time I go for my jog at
lunch time - the first Kloniker is
for you!

Farewell
Pat

Lieber Danny,
Danke das ich dich
kennen lernen durfte.
Alex

Danny, wir werden Dich als
lebenslustigen, lauten,
hilfsbereiten Kollegen
in Erinnerung behalten!
Du lebst in unseren Herzen weiter !!

Yvette

Lieber Danny,
Obwohl wir uns nur kurz gekannt haben, werde ich
dich in lieber Erinnerung behalten!

Yvette

It has been a pleasure knowing
you, Danny. You'll be missed,
Bryette

Dear Danny,

Thank you for being a very
special and wonderful colleague
and a good friend as well.

You will be deeply missed and it
is so difficult to say farewell,
but in heaven we'll meet again.

In loving memory

Maury

Thanks for all the help and support.
And for always muniting and being up for
a joke. Volker

Dear Danny,

You are sorely missed at IASA;
not just as a colleague but also as a
friend. You paid attention not just
to the computers but also to individuals,
who you knew each had their own
story. What a rare gift in this
world.

Jessica.

Dear Donny,

Es war großartig dich kennen lernen zu dürfen. You won't be forgotten.

Myra

Dear Donny,

Thank you so much for all your support over the years and being such a wonderful colleague. Your presence at IASA won't be forgotten.

Joan

IN MEMORY OF DANNY,
HE WILL BE MISSED VERY MUCH BY
ALL WHO KNEW HIM WELL. I HAD
MANY LONG DISCUSSIONS WITH HIM
ON MANY, MANY TOPICS. HE WAS
INQUISITIVE AND WANTED TO KNOW
AND ALWAYS HAD A LOT OF QUESTIONS.

DANNY WAS THE ONLY PERSON I AM
SURE READ ALL IIASA RESEARCH
PLANS WORD-BY-WORD. CONSEQUENTLY
HE ALWAYS HAD A LOT OF QUESTIONS
AND IDEAS TO SHARE, BUT MORE THAT
DANNY ALSO READ MOST OF THE PAPERS
WRITTEN BY IIASA COLLEAGUES. CERTAINLY
HE READ MOST OF MINE AND AGAIN HAD
A LOT OF QUESTIONS AND IDEAS. THIS
IMPRESSED ME A LOT AND I OFTEN
WONDERED WHERE HE FOUND THE TIME
NEXT TO THE HARD WORK ON HIS DAY
JOB,

DANNY WAS A VERY NICE AND CARING
COLLEAGUE. HE WILL BE ALIVE IN
OUR MEMORIES.
